Exclusive Donors Unlimited Embryo Purchasing Options & Breeder-to-Breeder Warranties

We do a ton of embryo transfer – ask Dr. Mimms – and we know that the ET process can be tricky and expensive if you do not have the proper resources and tools in place. We want you to succeed with embryos that you purchase from us so, in an effort to simplify the process and expedite progress for everyone involved, we offer the following options and warranties:

Conception Rate Guarantee – If you purchase more than two embryos from us, we'll guarantee you no less than one confirmed 90-day pregnancy. If you purchase more than nine embryos, we'll guarantee a conception rate of no less than 50%. Be sure to approve your embryo technician with us before you implant the embryos. This guarantee is void after 18 months from the sale date.

Embryo Implantation Option – If you like, we'll implant your embryos for you. You purchase the embryos and tell us when you want your calves to arrive. Then, we'll implant your embryos, manage the recipients, and ship you the confirmed pregnant recipients. Please inquire about current recipient costs and be sure to call ahead for more information – The options are unlimited but our recipient numbers are not, so be sure to speak early to reserve your spots!

All Embryos Available For Immediate Shipping In Our Own Tanks

– Get Them In Plenty of Time For Spring Implants –
No Hassle, Immediate Shipping

Embryo Pickup and Shipping

Please bring your jug with you to the sale and take your embryos/semen home with you. If you do not take possession sale day, please leave word at the clerk's desk of your intentions for shipping by leaving your shipping method and address, desired shipping date, and contact information. All shipping is the risk and responsibility of the purchaser but we have several shippers available to make the process easier. **A 14-Day Notice Is Requested For All Shipments.** Hereford Veterinary Clinic, 806/364-1331 (phone) 806/364-2391 (fax) – PrimeTIME, Inc, 419/862-0117

Transportation Cost Share

If you require assistance with transporting your purchases, please let us know. We will have trailers available to haul most anywhere and will guarantee trucking to cost **no more than \$350 per head** to central points in the United States. Direct delivery to your farm or ranch may also be arranged. Please ask for more details.

The Full Sister to the 2012 Ft. Worth Champion!

2012 Ft Worth Stock Show Grand Champion Steer

2012 San Angelo Stock Show Grand Champion Steer

HL 0419

Female Calved: Spring 2010

Sire: Heat Wave

Dam: HL Donor 419 (Char x Maine x Shorthorn)

Tested THF/PHAF - Exposed to Patty Cake (Hereford) 8/01-9/30 - Est. due mid-June

Dominant club calf genetics will sell in volume in April 28 in Hereford and perhaps no cow has been more dominant in recent times than Horn Livestock's incredible Donor 419 that has produced three major-winning sons in 12 months and much, much more. The Donors Unlimited team and our embryo customers have produced the last three Ft. Worth Grand Champion Steers and there is no better place to kickoff our eight offering than with this phenomenal full sister to Cuatro Schauer's 2012 Grand Champion. She's a beauty that looks like she could win plenty of her shows on her own, just like another full brother that was selected as the Grand Champion of the 2011 Arizona National and her three-quarter brother by Solid Gold that was the Grand Champion of the 2012 San Angelo Steer Show.

You'll find very few daughters of 419 available for ownership - especially in their entirety - and this one looks just like her dam that also produced the Reserve Grand Champion Steer of the 2011 West Texas State Fair, the Grand Champion Steer of the 2008 Belt Buckle Bonanza, and the coveted, new sires at Horn Livestock, My 0 My and Born Free. She's smooth, sound, and lovely with great feet, ideal muscle shape, and the sweetest neck you can imagine plus she's THF/PHAF. We're sharing the future with the best stock in the game... come to Hereford!

Five Full Sisters from Donor 640N!

A Huge Selection of 602 Genetics!

KROUPA/MULDER DONOR T-09

Female Calved: 2007

Sire: **Friction**

Dam: **Mimms/Mulder Chill 640N** (Chill Factor x GK Angus 602)

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

The first of five great chances to access the power of the Chill 640N donor that Cameron Mulder, MN, selected as the second top-selling bred heifer of our first Share the Future Sale, this proven female will stand up to any test you want to give her! Friction daughters are proving their worth in top programs and precious few are as fat-legged and furry as this one whose dam is a gorgeous full sister to the legendary Ms Chill 602G that led the way for so many years at Sullivan Ranch, TX, while producing in excess of \$1.5 million in progeny sales. The first daughter from this beauty was by Highlander and we turned down \$15,000 for her more than once. There are much bigger things to come from this one that has always been a favorite. Come early to sort these sisters – and everything else – we're loaded this year!

Kroupa Genetics and Cameron Mulder

Lot 2a

Lot 2A

Mimms/Mulder Donor 640N

Lot 2B

MIMMS DONOR 8640

Female Calved: Fall 2008

Sire: **Friction**

Dam: **Mimms/Mulder Chill 640N** (Chill Factor x GK Angus 602)

Due to calve August 30 to **Chunky Monkey**

We're bringing the power and the proven blood that brings you back for more! Here is a young paint from the impressive 640N donor that has made her home in Hereford. Four full sisters sell here and we're literally not sure which is the best. This proven donor had a C-section on her first delivery but she bred back quickly, milks well, and produced 32 embryos on two flushes. Our Ohio customers will have calves on the ground this spring by Monopoly and we love this combination with Chunky Monkey. This cow is extra wide and thick but still rocket necked with great THF hair. You tell us which one is best but we'd keep them all if we could!

Mimms Cattle

Lot 2b

MIMMS 7640

Female Calved: Fall 2007

Sire: **Friction**

Dam: **Mimms/Mulder Chill 640N** (Chill Factor x GK Angus 602)

Due to calve August 17 to **Monopoly**

A look-alike full sister to Lot 2B, here is another valuable, young paint from Friction and the great 640N donor, a full sister to the \$1.5 million-producing and recently-deceased Ms Chill 602G at Sullivan Ranch, TX. This prime-aged cow raised a \$2,800 steer by Hooter this year and she might be even better fronted than her sisters. She got rained out on photo day but she's built just like her sisters with a fancy, hairy, THF/PHAF form and she milks very well.

Mimms Cattle

Lot 2c

Ms Chill 602G

Mimms Chill 648N

MIMMS 041

Female Calved: Spring 2010

Sire: **Friction**Dam: **Mimms/Mulder Chill 640N** (Chill Factor x GK Angus 602)**Due to calve August 18 to Above & Beyond – Calf Sex: Heifer**

Another sweet-necked, super-thick daughter of the \$17,000 Donor 640N, the second high-selling female of the very first Donors Unlimited Share the Future Sale and the full sister to a string of market-movers like Mimms Chill 648N, a top-seller of our fifth sale and now a leader for Martin Livestock, IN. Take a look at her dam in the pens before the sale and you'll be more than ready to load this long-haired, long-necked favorite whose full sisters sell as Lots 2A-2E.

Mimms Cattle

Lot 2d

Mimms Donor FF602

MIMMS 042

Female Calved: Spring 2010

Sire: **Friction**Dam: **Mimms/Mulder Chill 640N** (Chill Factor x GK Angus 602)**Due to calve August 18 to Above & Beyond – Calf Sex: Heifer**

More proof of the pedigree, here is an extra-fancy youngster from the best of the herd! Check the cool, feminine, hairy, complete design of this special bred heifer. She's genetically THF/PHAF and backed by the best stock in the game – her dam is a full sister to the dam of the 2001 Ft. Worth Grand Champion Steer and the 2010 National Western Grand Champion Steer plus much, much more. Own the whole family – they're all three-quarter sisters to the great Miss Perfection and Mimms Donor FF602 - and take them to the next level!

Mimms Cattle

Lot 2e

Note on Fetal Sexing:

Whenever possible we tried to determine the sex of the calves these bred females are carrying. Not all females were available for fetal sexing and it's an inexact science so calf sex cannot be guaranteed. To the best of our knowledge the females will calve at approximately the dates shown and there is a strong likelihood they will deliver the calf sexes that are shown. Bid accordingly.

Important Sale Information:

Terms: Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only.

Health: All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All claims on bred females must be made in writing within 60 days of the sale date. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Trucking:** If you require assistance in transporting your purchases please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials.

Sale Booklet Prepared by: Craig M. Reiter, Sale Manager.

Proven Favorites from the Top of the Program!

The Full Sister to Miss Perfection!

DSUL/MIMMS 5602 TREASURE

Female Calved: 2005

Sire: **Full Flush**

Dam: **Ms Chill 602G** (Chill Factor x GK Angus 602)

Due to calve **May 1 to West Covina**

Make your travel plans now because we've loaded our eighth edition with as much power and promise as we could possibly find! This beautiful beast from the same family that created Ft. Worth, Denver, Oklahoma City, San Antonio, and Houston Champions plus trendsetting AI sires like those shown below has been a fan favorite since she came of age and over four years of production our customers still ask for her by name. We added her to use for ourselves but the demand for her produce has been so strong that we can barely keep her embryos in stock even though she averages almost 13 good eggs per flush. Along with two full sisters, 5602 has formed a powerful core of proven genetics that have spawned a number of big hits and other breeders have used this pedigree to produce too many winners, donors, and AI sires to mention – see recent success from her deceased full sister, Miss Perfection, for strong examples. This cow looks amazing – she always has – and she'll bring a whole new level of proven lineage and on-the-hoof power to any program. We'll miss her.

 Sire: **Ali**
 Dam: **Full Flush x Ms Chill 602G** (Chill Factor x GK Angus 602)

Lot 4

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Royally-bred and as good as she needs to be, here is a potent breeding piece from the top of the club calf gene pool! This young donor on the come is a full sister to the dam of the \$56,000 new AI sire, The Creature, owned by Goddard Cattle Company, IA. She is a maternal sister to the dam of proven sires like Walks Alone and Believe In Me from a dam that is a full sister to Miss Perfection and the featured Lot 3 donor in this offering plus many more great ones from the 602 line. She gets a little dose of extra depth and mobility from her sire but the rest of her body is pure 602 goodness; extra wide, extra cool, extra hairy. She packs a punch and we loaded her to make you a believer in the genetics that have delivered for us time and again.

The Creature

KROUPA 49

Female Calved: 2010

Sire: **SLC Sooner**
 Dam: **GK Donor M18** (Chill Factor x GK Angus 602)

Lot 5

Exposed to Ringer – Due 5/10-5/20

Solid gold genetics from the GK Donor M-18, the powerful full sister to the now-deceased Ms Chill 602G, the lead donor at Sullivan Ranch, TX, and the dam of the 2001 Ft. Worth Grand Champion Steer and the 2012 National Western Grand Champion Steer! This rare commodity offers fantastic female power that will push her to the top of any program. She's extra wide and soft with the proper frame score, great muscle shape, and she's every bit the female she needs to be. Her dam sold a year ago to attentive-buyer Blake Boid, TX, after producing a \$7,500 average on two sons plus the productive dam of the sensational Lot 59. Build from the best in the business!

KROUPA S-85

Female Calved: 2006

Sire: **Heat Wave**

Dam: **GK Donor H-832** (Meyer 734 x GK Angus 602)

Exposed to Stud Monkey – Due 6/26

Second to none club calf genetics from GK Donor H-832, the only Meyer 734 daughter of the famed GK Angus 602, this is one impressive piece of club calf machinery. She's crazy-haired and horse-necked with the huge legs to match, and she delivers the goods. Her second calf won his class in Ft. Worth for the Tucker family and her 2011 steer by Stud Monkey sold to Bonham Show Cattle, OK, for \$21,500. She's due shortly with a full sib and her pedigree alone is worth the investment here – see Mimms Donor 6653 and the AI sires Amen and Simple Math, all maternal siblings. She's not a house pet, but she packs world class club calf genetics on a fancy form and she's never been flushed. Load her, she knows what to do.

Calved: Fall 2008

Sire: **Jakes Proud Jazz**

Dam: **Mimms Donor 6653** (Friction x GK H-832 (Meyer 734 x GK Angus 602))

Due to calve August 18 to Monopoly

The first calf from Mimms Donor 6653, the full sister to Amen that is featured in our embryo sale this year, this very young cow will be a great buy. She gave us a replacement heifer in her first attempt and bred back quickly for another. We love her work ethic and you'll love her feminine, hairy, problem-free design plus her loaded pedigree!

Mimms Cattle

Lot 7a

MIM MISS GOLD 053X

Reg. ACA Female

Calved: November 3, 2010

Sire: **Solid Gold**

Dam: **Mimms Donor 6653** (Friction x GK H-832 (Meyer 734 x GK Angus 602))

Due to calve September 16 to 2- Solution (Angus) – Calf Sex: Bull

A super-wide daughter of our full sister to Amen, this former show heifer was selected as the Grand Champion Heifer of the Route 66 Classic and the Labor Day Blow & Show for Kaylee Shores, TX. Her powerful dam is featured in our embryo offering and this heifer will show you why we flush her with her enormous bone, wide rib cage, and totally sound design. The best part of Solid Gold may be his daughters!

The First "Shorthorn" from the 602 Line!

MIMMS/HL 823

Female Calved: Fall 2008

Sire: **Jake's Proud Jazz**

Dam: **Cunia 602 x Mimms D-23** (Playboy x GK Angus 602)

Tested THF/PHAF - Exposed to Solid Gold 3 8/01-9/30 - Est. due early June

Selling one-half interest with negotiable possession and the option to double the hammer price to acquire full interest

A beautiful blue with an airtight pedigree and so much flexibility, here is the gorgeous first calf from a recently-deceased dam that herself was the first calf from Mimms Donor D-23, the \$19,000-valued female that is the world's only Playboy daughter of the great GK Angus 602. This cow is so young but in her first combination with a power bull she produced the \$20,000 son shown here; look at the hair he had despite his double-clean pedigree. This youngster is furry and fabulous with sweet feet, increased capacity, and a just-right frame score plus great color to increase her flexibility at mating time. Another big time baby is on the way!

Share the Future With Us!

The Full Sister to Mimms Donor 401!

MIMMS DONOR 599

Female Calved: Spring 2005

Sire: **Blue Chip**
 Dam: **Cunia x Angus**

Due to calve September 10 to Dr Who

Some say this is the most powerfully built cow in the Mimms donor pens today. That's hard to judge but also hard to argue with once you analyze this power freak in person. She's the more moderate and bigger bodied full sister to Mimms Donor 401, the dam of the 2007 Ft. Worth Reserve Grand Champion Steer and more than \$140,000 in progeny sales in a too-short career. This is the only pedigree that has been cloned by Dr. Mimms and he has two genetic duplicates of this cow in production now. Donor 599 will redefine your idea of power, she's that stout. But she is also exceptional in terms of structure, foot size, balance, and frame score. She has been a favorite of our past embryo auctions where her embryos have sold for more than \$1,000 each and pregnancies have fetched as much as \$4,500. We can't keep them all and history has proven the value of investments in proven DU females like this one; now it's your turn. Can you imagine one any bigger legged or bigger ribbed that is still classy and sound with such a usable pedigree?

Lot 9

PREGNANCY OF MIMMS DONOR 599

Lot 9A – Unsexed pregnancy by Heat Wave
 Due to calve August 5 – Recipient tag 24

EMBRYOS OF MIMMS DONOR 599

Lot 9C – Three embryos by Bojo

Mimms Cattle

2007 Ft. Worth Reserve Champion Steer

KROUPA BLUE 45

Female Calved: 2009

Sire: **Heat Wave**
 Dam: **Mimms Donor 401 (Blue Chip x Cunia)**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

Just right for the next level, here is a cool and classy full sister to Keylan Williams' 2007 Ft. Worth Reserve Grand Champion Steer and to the \$9,000 bred heifer that George Show Calves, LA, selected from our 2010 lineup. This year's version is soft and sexy with amazing shag and the right shape and movement to take your game up a notch or two. Very young and very good!

Kroupa Genetics

Lot 10

More from the 401 Family!

MIMMS 6650

Female Calved: Fall 2006

Sire: **Friction**

Dam: **GK Donor 88** (No Mercy x Mimms Donor 401)

Due to calve August 11 to Yellow Jacket

If you're going to have an auction you have to sell something but we surely hate to see this one go. She takes a nice photo but this is one you need to see to fully understand because she might be the widest-based, widest-loined donor that has ever worked for Dr. Mimms. We can debate that when you see her in the pens but one fact that cannot be argued is that she knows how to deliver – check her daughter selling here for proof. Her dam was a \$20,000 Sweetheart Sale feature after producing the Champion AOB Female of the 2009 American Royal, and this pedigree is inherently defect-free and backed by the proven strength of Mimms Donor 401, the full sister to Lot 9. This cow is smaller with great mobility, a sweet demeanor, excellent milk production, and some very real power. No one shares the sugar like DU!

Lot 11

MIMMS 0650

Female Calved: Spring 2010

Sire: **100 Monkeys** (Chunky Monkey x Mimms Donor 100 (Yahtzee x 7 Char))

Dam: **Mimms Donor 6650** (Friction x 88 (No Mercy x Donor 401))

Due to calve August 18 to Celebration – Calf Sex: Bull

Our first 100 Monkeys daughter to sell, we now know for certain that we never should have sold her sire. He was a stimulating son of Chunky Monkey and our favorite horned donor, Mimms 100, and his calves have been strong though we've only had a few. This one is a real beauty. She's really good bodied with impeccable movement and the best front end you can build. Her pedigree is stacked with multiple layers of proven donors and we should never let her leave – or her mother!

Lot 11a

EMBRYOS OF MIMMS DONOR 6650

Lot 11B – Three embryos by Solid Gold

Mimms Cattle

MIMMS 021

Female Calved: Fall 2010

Sire: **Walks Alone**

Dam: **Mimms Donor 401** (Blue Chip x Cunia)

Due to calve September 6 to 2 – Solution – Calf Sex: Heifer

A powerful product of one of the best cows to grace the clinic, this is one of your last chances to own a daughter of the deceased Donor 401, the dam of several favorites like the Keylan Williams' 2007 Ft. Worth Stock Show Reserve Grand Champion Steer. A long list of sisters to this wide, moderate heifer are donors across the country – our 2009 sale featured a \$9,000 daughter by Heat Wave that now works for George Show Calves, LA, and our 2011 event showcased a \$12,000 daughter by Dr. Who, Mimms 818 shown here, that went to Shane Lutrick, OK - and their dam is the only female to be cloned by Mimms Cattle. Females don't come much wider, stouter, or better necked than this one!

Proven Favorites from the Top of the Program!

Popular, Proven Donors that Return Quickly!

MIMMS DONOR S-63

Female Calved: 2007

Sire: **Tiger**
 Dam: **Chill Factor**

Due to calve August 18 to Stud Monkey

Another valuable, proven option from the Mimms donor battery, there will be less "Hereford" power in Hereford when this one leaves. This smooth big-body is a favorite of many and a feature among features in this powerful offering. She has been popular in our recent embryos sales regardless of the service sire and her 2011 crop was excellent with a \$4,000 black-baldy son by Lone Wolf that sold to Mark Kleman, TX, and will be heard from, plus an excellent daughter by Showtime that brought \$3,600 to Boysel Genetics, OH. We kept a perfect-marked daughter by Carpe Diem and we're excited by this current combination with Stud Monkey. Regardless of color or genetic makeup, when cows are this big bodied, smooth, hairy, sound and easy to use, you just need to own them.

MIMMS/SHARP DONOR 9P

Reg. ACA Female P312179 Calved: July 4, 2004

Sire: **Full Flush**
 Dam: **Char x Sim x MA**

Sells open

The yellow-baldy that is easy to love, here is another proven donor and Donors Unlimited feature that flushes well, produces winners, and makes money for everyone. This impressive beast was a World Beef Expo Champion and her calves have won in three states and Canada so far plus nearly all have been silver or silver/baldies. She flushes very well - her last flush was just before catalog time and produced 14 good ones - and she'll be ready to work shortly after the sale. Her pedigree is different and just right for powerful combinations!

DAVIS DONOR 4-K111 "HONEY"

Female Calved: 2004

Sire: **Rattler**

Dam: **Mimms Donor K-111** (Hoo Doo Charolais)

Sells open

A proven Davis donor, here is the dam of the 2010 Grand Champion Steer at San Angelo plus a number of favorite daughters working in Wheeler. She worked great with Milkman to produce her major-winning son but it came as no surprise to us as her dam, Mimms Donor K-111, was a great, original Hoo Doo Charolais cow that always created quality. This cow is exceptionally thick, wide, and athletic and she is bred to be that way. You know how to mate her for quick success!

Davis Cattle

2010 San Angelo Stock Show Grand Champion Steer

BOYSEL SHOWTIME 215

Female Calved: April 2009

Sire: **Black Label** (Irish Whiskey x Meyer 734)

Dam: **Meyer 734 x Angus**

Due to calve 9/20 to Stud Monkey

Real power from the best blood in the business! This young and proven Boysel donor combines two of the finest maternal lines in show business and she does it with exceptional power. She is super-stout and powerful with great hair from head to toe and she has flushed very well with a current average of 9 embryos/flush. This is a young cow that we are likely turning loose too soon as her embryo calves are just now starting to arrive. She was a late sale addition so she missed our photo session but we know we've got to offer our best to bring you to Hereford. Genetically and physically loaded, proven in transplant and still very young, this is one you'll want to study awhile. Share the Future!

HL 454

Female Calved: Fall 2004

Sire: **Dr. Hook**

Dam: **Desert Storm x Meyer 734 x Trav 6807**

Tested THF/PHAF - Exposed to Lovin' the Business 10/20-12/07 - Safe-in-calf

Selling one-half interest with negotiable possession and the option to double the hammer price to acquire full interest

You'll know we're sharing the sugar when you study this beautiful, THF blaze from the best of the HL pastures! It's hard to build mature cows more impressive than this cow whose 2011 daughter by Red Hawk has enabled her to make the trip to Hereford. They made a gorgeous pair last fall, and you'll have a hard time faulting the perfect look and movement of this female that is the first embryo calf ever produced at Horn Livestock. We just learned that she was THF and Brandon has the perfect bull to match her with so we're only offering one-half with the option to own her all. Expect a silver/baldy by Lovin' the Business this time around and many fancy trinkets to come. Wipe your chin.

Horn Livestock

HL 485

Female Calved: Fall 2004

Sire: **Checks In the Mail**

Dam: **Festus x Charolais 1**

Tested THF/PHAF - AI 11/28 to Lovin' the Business - Exposed to Lovin' the Business 10/20-12/27 - Safe-in-calf

From the same foundation cow family as the popular sires, Benny and Blanco, here is the dam of a \$15,000 Solid Gold son that ranked at the top of the 2010 crop at Horn Livestock and recently stood second in class at Oklahoma City. The success of this cow stems from her second dam, the famous Charolais 1 donor, that produced well until 20 years of age. This beauty is horse-necked with plenty of horsepower yet still THF/PHAF, and you'll be Lovin' the Business when she delivers a full sibling to the beautiful silver daughter she had last fall!

Horn Livestock

Solid Gold x Lot 20

Benny

Choice Selections from Davis Cattle!

DAVIS 3500

Female Calved: 2005

Sire: **Double Vision**

Dam: **Maine Anjou**

Due to calve 8/19 to Heat Wave – Exposed to Freeze Frame

A Shorthorn beauty that we all need, this is an extreme piece of machinery in a sweet selection of proven cows from Davis Cattle. Three of her sons have sold for a \$3,500 average so far and she leaves two excellent daughters to replace her or this very unique female would not leave Wheeler. You can tell a lot from this photo but it's hard to see the great joints, powerful bone, and usable frame score that this cow blends with her extreme look and shape. She'll be easy to spot and easy to love, especially when her Wave arrives this fall!

Davis Cattle

Lot 21

DAVIS 25

Female Calved: 2007

Sire: **White Lake** (Full Flush x GK Donor G-1)

Dam: **Donor P-18** (Full Flush x Donor F-22 by Draft Pick)

Sells open

A very powerful, young cow from the best of the Davis program, this double-bred Full Flush donor is one that deserves some special study. Her very first calf was a Maine-Anjou class winner at Houston and you'll believe that there is much more to come when you inspect the enormous loin, hip, and feet on this gal. She is built right to bring power and success with a variety of matings and she has enough hair to increase her versatility. Flush her this summer and then breed her your way. She's loaded!

Davis Cattle

Lot 22

DAVIS 8

Female Calved: 2006

Sire: **Bentley** (Strictly Business x GK Donor H-832 (Meyer 734 x 602))

Dam: **GK Donor L-70** (Cunia 602 x Angus)

Due to calve 8/24 to Milkman – Exposed to Freeze Frame

Great property from Bentley and Donor L-70, this exciting prime-aged female is one of only two females in existence with this pedigree; the other is Mimms Donor 6066, a favorite of past editions of this sale. Her sire is the powerful and limited son of Strictly Business from the same dam as Simple Math and Amen, and the first calf from her full sister sold for \$14,000 to John Greaves, NM, in our 2011 sale. This one has been no-miss in production with a \$5,000 son and two replacement daughters so far. She's the right kind with great movement, udder quality, and just the right touch of feminine power.

Davis Cattle

Lot 23

DAVIS 20

Female Calved: 2006

Sire: **Heat Wave**

Dam: **Loaded Gun x Sim**

Due to calve 8/17 to Yellow Jacket – Exposed to Freeze Frame

An extreme breeding piece that you need to examine, this painted freak will make you look more than once! She got her neck from a ranch horse and her legs from an elephant plus her hair from a llama. Two of her Yellow Jacket sons have sold for resale at a \$3,000 average. She's bred for another fancy one and the rest is up to you. Hold on!

Davis Cattle

Lot 24

Maternal Giants from Our Embryo Program!

BOYSEL DONOR 535

Female Calved: 4/05/06

Sire: Meyer 734
Dam: OCC Anchor

Due to calve 9/15 to Chunky Monkey

A very powerful and unique donor from the top of the Boyssel program! This massive and proven half-blood Simmental female has been a strong source of premiums during her career. She makes them hairy and powerful – just like she looks – and she has flushed well. This is a foundation opportunity with a stout calf on the way. When is the last time you saw a 734 daughter with this kind of mass and bone!

Lot 25

KROUPA PURPLE 97

Female Calved: 2009

Sire: Stop-n-Think
Dam: Donor F-22 (Draft Pick x Angus 349)

Exposed to Simple Math – Due 5/01-5/10

A full sister to the \$17,000 Donor 300 that sold to Cedar Springs, B-5 Livestock, and Ray Weaver in our 2011 sale and was recently featured in the Frozen Gold Sale, this cow missed her early ride to Hereford because we couldn't decide if we could bear to let her go. You won't be able to miss her in the pens. She's got some serious and unusual choke of the neck for Sim x Maine pedigree and she blends it with major belly shape and stoutness. She looks like her incomparable dam that stands as the highest selling cow in the history of the Kroupa program and we'll bet she'll grow into something liker her full sister that stands as an all-time favorite. She's super young and all of her sisters have been exceptional. Now you've got to come to Hereford!

Kroupa Genetics

Lot 26

Mimms Donor 300

Donor F-22

MIMMS 7854

Female Calved: Fall 2007

Sire: Duff's First Look
Dam: Hara's Witchcraft 2100 (Angus by Rito 2100)

Due to calve August 18 to Kadabra

Classic Angus power! Here is the last female we got from Hara's Witchcraft 2100, the remarkable Frozen Gold donor dam that was so popular during her too-short stay in Hereford. Like her high-selling dam, this unregistered purebred daughter offers extreme body shape and mass plus a very predictable pedigree. Her 2011 daughter by White Lightning was one of our very best and slated to headline our offering before we lost her at weaning time. She was a stout one and proof of what this cow will do. This cow is drought-proof and she milks very well. Show us a bigger bodied, easier fleshing one!

Mimms Cattle

Lot 27

Lot 27

Witchcraft 2100

KROUPA 781

Female Calved: 2007
 Sire: **Pitt Boss**
 Dam: **Glover Donor 505** (Power Plant)

Lot 28

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

Chart-topping power with a trusted pedigree, here is a great daughter of Bruce Glover's great 505 donor that has created so many winners and favorite females over the years. This smoky workhorse is the dam of two excellent daughters that sell here and they inherited her wide, sound form and strong good looks, if you like one you'll love them all. They're smaller, softer, and great on their feet. The Stud Monkey will deliver again here!

Kroupa Genetics

Lot 28

KROUPA 973

Female Calved: 2009

Sire: **Duff Looker** (by DCC New Look)
 Dam: **Kroupa 781** (Pitt Boss x Glover 505)

Lot 28a

Exposed to Hammer Down – Due 5/10-5/20

The spitting-image of her way-powerful dam, this is quite a trio of favorites. Here is another stouter, smaller, thicker smoky that will deliver shapely color with Hammer Down this spring!

Kroupa Genetics

Glover Donor 505

KROUPA 90

Female Calved: 2010

Sire: **Carpe Diem**
 Dam: **Kroupa 781** (Pitt Boss x Glover 505)

Lot 28b

Exposed to Damage Control – Due 5/05-5/15

She might be the biggest backed, widest based heifer in the offering and she might be your next donor. One thing is for sure, this one packs a lot of usable, functional beef on to a more-moderate frame and she gets it from a pedigree filled with favorites and built around Glover's famous 505 donor!

Kroupa Genetics

Lot 23

KROUPA 6150

Female Calved: 2006

Sire: **Slow Burn**
 Dam: **Comm Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

An outstanding all-around female that will make you happy each year! This favorite Slow Burn daughter makes a habit of performing well – check her daughter for proof – and she looks great doing it. She's just right in terms of frame and balance with a beautiful udder, optimum depth and thickness, and the sweet look of quality.

Kroupa Genetics

Lot 29

KROUPA 104

Female Calved: 2010

Sire: **Doc** (OCC Doctor son)
 Dam: **Kroupa 6150**

Exposed to Simple Math 11/1-12/23 – Safe-in-calf

What a beauty! Here is all the proof you need of the producing power of the Lot 29 female. This bred heifer is just what we hoped for when we used Wade Rodgers' Doc bull so aggressively a few years ago. She's great bodied and totally sound with enormous feet, shaggy legs, and the soft, easy-doing look we need more of plus she's very docile and virtually unrelated to any sire you might use. We've got too many to keep them all but this is the kind we don't need to sell. Own her and watch her perform!

Kroupa Genetics

Lot 29a

TCC 801

Female Calved: 8/15/08

Sire: **Heat Wave**
 Dam: **Donor Y-23** (Purebred Charolais)

AI 11/13 to The Witch Doctor – PE to Monkey Business 11/20-12/10 – Safe-in-calf

A full sister to Wade Rodgers' new AI sires, Crowd Favorite 1 and Crowd Favorite 2, that are causing quite a stir among the new AI prospects, this is a must-have breeding piece from the champion donor, Y-23, that now has more than \$200,000 in progeny sales. This pink-nosed blonde is excellent in her design with a sweet neck, more body, and better hair. She may calve to Monkey Business, a low birth weight Chunky Monkey son from a Beat the Heat cow whose 2011 calf sold for \$15,000 in the 2012 Mimms Club Calf Auction.

Thorne Cattle Company

Lot 30

TCC 015

Female Calved: 8/20/10

Sire: **Ali**
 Dam: **TCC 801** (Heat Wave x Donor Y-23)

Due to calve 8/08 to Navajo – No exposure

The first calf from Lot 30, this young half-blood Maine descends from royal blood and she's got the look of a winner. Exceptionally hairy and big hipped with ample bone and a sweet front end, this one will make a strong selection and she'll calve easily with Navajo producing a three-quarter Maine calf.

Thorne Cattle Company

Lot 30a

GASSMAN 928B

Female Calved: 1999

Sire: **Loaded Gun**
Dam: **Payback**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

One of the features of the Bob Gassman Dispersal, this older cow will be worth any investment and she needs to stay at Hereford for awhile. In just two calf crops in White Lake she produced a gorgeous Heat Wave daughter that will be appearing soon plus twin bulls this past year that sold for \$17,500 and \$4,750. One of the twins has been selected as the Reserve Champion Prospect of the 2012 Sioux Empire Farm Show and Fifth Overall of the 2011 Badger Kickoff already.

Kroupa Genetics

Lot 31

BOYSEL 614

Female Calved: March 2006

Sire: **3C Sturdy** (by Meyer 734)
Dam: **Angus by Fullback of 9FB3**

Due to calve 8/17 to Spunky Monkey – Calf Sex: Heifer

This square and stout brockle-faced cow will be one to load for strong results! She had a super steer calf last time and her Spunky Monkey daughter should be just right. Spunky Monkey is a smoky son of Chunky Monkey from Donor P13, a Full Flush x Donor F-22 (Draft Pick) blend.

Boysel Genetics

Lot 32

BOYSEL 806

Female Calved: March 2008

Sire: **SVF Star Power** (PB Simmental by Dream On)
Dam: **Meyer 734 x Angus**

Due to calve 8/03 to Heat Wave – Calf Sex: Heifer

Here is a stout and rugged three-quarter Simmental that is easy to work with! She is the right size and build to work plenty of ways and she'll deliver white-faced profit with Heat Wave this fall. She checked with a probable heifer calf but was far enough along that we cannot be certain. Bid with confidence on this young cow that will bring you back for more!

Boysel Genetics

Lot 33

KROUPA 130

Female Calved: 2007

Sire: **Strictly Business**
Dam: **Meyer 734 x Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Check the legs and ideal frame score of this Business x Meyer 734 cow. She's sound, flexible, and thick with a pedigree that works with your favorite sires. Load up on cows like these!

Kroupa Genetics

Lot 34

KROUPA 161

Female Calved: 2007

Sire: **Full Flush**
Dam: **Meyer 734 x Angus**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

These prime aged cows are exceptional. We've got them bred right and the quality is deeper than ever. Here is a really big backed Full Flush x Meyer 734 combination with a great neck and worlds of shape. She'll have a Charolais by Stud Monkey that will really slick!

Kroupa Genetics

Lot 35

KROUPA T38

Female Calved: 2007

Sire: **Slow Burn**
Dam: **Platinum x Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

The dam of a \$5,500 steer by Popeye that sold to Chad Forman, SD, this cow is another productive Slow Burn with extra bone and hip shape.

Female Calved: 2006

Sire: **The Witch Doctor**
Dam: **Ladies Man x Sim**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Big boned and huge hipped with that extra look, this one is made with more muscle. She'll blend nicely with the little, wide, sound truck we call No B.S.!

Kroupa Genetics

Lot 37

Young Daughters of Our Best Cows!

MIMMS 15W

Female Calved: Fall 2009

Sire: **Smooth Sailing** (Heat Wave x Miss Perfection)

Dam: **Mimms Donor 5M** (Meyer 734 x Angus)

Due to calve August 18 to Stud Monkey

Another valuable youngster and one of the last of her kind, here is a sweet daughter of the famous, but now-deceased, Donor 5M. Her dam was the \$28,000 high seller of the landmark Throgmartin Cattle Dispersal and one of the most popular cows we've had in our program with calves and embryo sales commanding maximum premiums. We lost her too soon but this daughter will show you why she was so good. She was another of Kaylee Shores' winning show heifers – Reserve Grand Champion of the 2010 Panhandle Parade of Breeds and the 2010 Potter County (TX) Fair – and she got off to a great start with a neat, hairy daughter by Celebration last fall. Her dam was a big winner and this young daughter has her standout style and complete design with upgraded muscle and hair quality.

Mimms Cattle

Lot 39

GK Donor K-6

KROUPA PURPLE 87

Female Calved: 2009

Sire: **Milkman**

Dam: **GK Donor K-6** (Hannibal x Mossy Oak)

Exposed to Hammer Down – Due 5/10-5/20

From the \$45,000-valued Lot 1 feature of the 2011 Sweetheart Sale that now works for Powers Cattle, OH, this is a young beast that must be seen. Her dam was an underfeated market heifer that could still win at six years of age, and she blessed this daughter with tremendous width, a clean design, and the massive bone that she is known for.

Kroupa Genetics

Lot 39

MIMMS/MULDER 926

Female Calved: Fall 2009

Sire: **Chunky Monkey**

Dam: **Mimms/Mulder Donor R-26** (Full Flush x GK Donor G-1)

AI 11/09 to Monopoly – PE to CM602² (Cunia 602 x Meyer 602) – Due 9/17 to CM602²

The natural calf from Donor R-26, the deceased full sister to White Lake, Smoking Gun, and all of the G-1 greats. This smoky youngster is goose-necked and sound with plenty of power in the blood. Her half-blood Charolais pedigree makes her easier to use and her next calf will blend two shots of potent 602 blood with the G-1 line!

Mimms Cattle & Cameron Mulder

Lot 40

Mimms/Mulder Donor R-26

HL 860

Female Calved: Fall 2008

Sire: **HL Ammo 388**

Dam: **HL Donor 560** (Nutt N Butt Business x Angus)

Tested THF/PHAC - Exposed to Solid Gold 3 8/01-9/30 - Est. due mid-June

A rare and valuable daughter of Ammo 388, here is a big-bodied beauty from one of the most impressive donors in the Horn Livestock lineup. A maternal brother by Rock Star was selected as the Reserve Champion Shorthorn of the 2010 San Antonio Stock Show and a full sister produced from an embryo sale is an exceptional black baldy, the donor dam of this one is a massive female that always generates power. This young one is problem-free and loaded with the good stuff plus a Solid Gold baby due shortly!

Horn Livestock

Lot 41

Lot 41

MIMMS 14

Female Calved: Fall 2008

Sire: **Heat Wave**

Dam: **Donor 152** (by Full Charge)

Due to calve August 18 to Stud Monkey

A full sister to Lautner Farms' Leroy Brown, the sire of the 2011 National Western Reserve Grand Champion Steer, this is a powered-up redhead that makes them shaggy and very thick. Her first by Proud Jazz will show this spring in Texas and her second was a long-haired favorite by White Lightning that we lost to scours at 3 weeks of age. This is the right mating for three in a row!

KROUPA 702

Female Calved: 2007

Sire: **Oahe Wind**
Dam: **Charolais x Angus**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

High percentage Charolais power! This three-quarter female might be the widest and thickest of the Oahe Wind daughters that have been so popular over the years. She's got the right look with extra size and power!

Kroupa Genetics

Lot 46

KROUPA PURPLE 34

Female Calved: 2006

Sire: **Oahe Wind**
Dam: **Commercial Angus**

Exposed to Popeye (Ali x Dr. Who) – Due 5/10-5/20

A wide bodied smoky with plenty of muscle and fleshing ability, these Oahe Wind daughters are tough and productive. This one is better in terms of frame score and rib shape. Popeye has a red gene so you should get a Charolais here.

Kroupa Genetics

Lot 47

KROUPA 35

Female Calved: 2005

Sire: **Northern Improvement**
Dam: **Lead On (Charolais)**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

A proven source of easy profit, this easy-doing smoke is the dam of two stout Heat Wave sons that sold for \$7,500 and \$3,500 plus a Smooth Sailing daughter that sold for \$1,750. She's got the body!

Kroupa Genetics

Lot 48

KROUPA BK-91

Female Calved: 2007

Sire: **Ground Zero**
Dam: **Charolais x Angus**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

Here is a deeper, thicker smoke that is built on a more usable frame score. She moves great and she's got plenty of power to let you take the hair off. A quick-selling silver is on the way by The Stud Monkey!

Kroupa Genetics

Lot 49

KROUPA 719

Female Calved: 2007

Sire: **Total Solution**
Dam: **Get Smoked x GK Donor G-1**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

A productive smoky that has sold every calf for a premium so far. She's a smaller, furrrier, sounder cow that calves easily and is easy to handle. She'll work great with Stud Monkey, the well-proven son of Chunky Monkey and GK Miss Outlaw M-51.

Kroupa Genetics

Lot 50

KROUPA 933

Female Calved: 2009

Sire: **Ice Box (Oahe Wind son)**
Dam: **Charolais X**

Exposed to Hammer Down – Due 5/01-5/10

Get ready for profitable color when this one delivers soon after the sale. She raised a \$2,000 Hammer Up (the full brother to Hammer Down) last summer in her first attempt. She is another long-necked, square-hipped, choke-necked blonde with her whole life ahead of her.

Kroupa Genetics

Lot 51

KROUPA 803

Female Calved: 2008

Sire: **OCC Jupiter**
 Dam: **Heat Wave x Double Stuff**

Exposed to Simple Math – Due 5/10-5/20

Championship genetics that cause a crowd in your pastures, here is the older sister to Nick Sullivan's 2011 Iowa State Fair Supreme Champion Breeding Heifer that was also the \$50,000 top-selling heifer of the 2010 Reimann Ranches Pasture Sale. It took awhile to decide to offer this one so she missed the photo session but you need to give her some close inspection. She is a rare Angus-sired female that blends maximum hair and style with tremendous stoutness and body shape. She looks great in production and she's just getting started!

Kroupa Genetics

Lot 52

KROUPA R-9

Female Calved: 2005

Sire: **Sound Wave**
 Dam: **Maine Anjou x Angus**

Exposed to Simple Math – Due 5/10-5/20

A powerhouse from the top of the Kroupa herd, this cow is the dam of nearly \$30,000 in sales from five natural calves. She puts the power and look in her babies like the \$9,000 daughter by X-Ice that sold in the 2011 Sweetheart Sale, the \$6,000 bull calf by Doc that she just weaned and others by Chunky Monkey and Ali. She has worked with everything due to her complete, no-nonsense design and strong pasture performance.

Lot 53

KROUPA 123

Female Calved: 2007

Sire: **Sun Seeker**
 Dam: **Big Timber x Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

This set of proven females is absolutely loaded with top performers! Here is the dam of a \$12,500 Stud Monkey steer that sold right off her side. She milks great and is sound, thick, and moderate with just enough sizzle. How can we sell them when they raise our best? Because we've got more and we love sharin' the sugar!

Kroupa Genetics

Lot 54

KROUPA 52

Female Calved: 2005

Sire: **Heat Wave**
 Dam: **Who Made Who**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

This Heat Wave daughter milks well from a beautiful udder and she's rocket-necked, sound, and attractive. This is the kind that is working to Stud Monkey, the dam of a string of high-premium babies in his first crop. Stud Monkey semen is limited to 500 straws sold per year, and this one will really work with him!

Kroupa Genetics

Lot 55

KROUPA 54

Female Calved: 2008

Sire: **Heat Wave**
 Dam: **Cunia 602 x 3C Macho**

Tested THF/PHAF - Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

Another young Heat Wave daughter that's got the look! This cool paint is an embryo daughter of the \$22,500 record high-selling female of the Holiday Classic Sale, and she is square, sound, and big bodied with excellent milk production. She'll bring home the smoky goods with Stud Monkey, the limited Kroupa sire that averaged \$16,350 on his first five calves!

Kroupa Genetics

Lot 56

KROUPA 775T

Female Calved: 2007

Sire: **Heat Wave**
 Dam: **Maine Anjou x Angus**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

Another moderate, sound, fertile Heat Wave with maximum hair. She's just waiting to shine with Stud Monkey!

KROUPA PURPLE 65

Female Calved: 2009

Sire: **Full Flush 602**

Dam: **Cowboy Cut x Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Sired by the full brother to Lot 3, this is a very young cow that needs explored. She did a good job with her first calf and she's built right on large feet with a sleek neck and ideal muscle shape. She'll develop into a favorite producer and No B.S. will give her an extra punch this fall!

Kroupa Genetics

Lot 58

KROUPA 908

Female Calved: 2009

Sire: **Full Flush 602** (Full Flush x Ms Chill 602G)

MGS: **Friction x GK Donor M-18** (Chill Factor x GK Angus 602)

Exposed to Simple Math – Due 5/10-5/20

Linebred and lovely! This is another that we couldn't bear to sell and decided too late for photos. You need to see her. She's super-young and linebred to the great 602 foundation from a nice painted dam that is a sister to the Lot 5 donor feature in this offering. Her second dam is a full sister to Chill 602G and this very young daughter of the full brother to Miss Perfection and Lot 3 has extra shag and style. Her next calf will be triple-bred to the 602 family!

Kroupa Genetics

Lot 59

KROUPA 646

Female Calved: 2006

Sire: **Irish Whiskey**

Dam: **GCC Comm Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Another late edition that missed the photo session, this Whiskey will make your drive worthwhile. She's a young donor prospect with a killer look plus great feet, extra shape, and the best neck on these proven Irish Whiskey daughters. Her 2011 daughter is one of our best replacements.

Kroupa Genetics

Lot 60

KROUPA 144

Female Calved: 2008

Sire: **Irish Whiskey**

Dam: **GCC Comm Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

An ideally versatile Irish Whiskey daughter that is just hitting her prime, here is one that will work with a lot of bulls. She's got the optimum muscle shape in her top and hip, ideal udder construction, plus the neat, soft look of the best of her sisters.

Kroupa Genetics

Lot 61

Lot 62

KROUPA 32

Female Calved: 2007

Sire: **Who Made Who**
 Dam: **Meyer 734 x Angus**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

The pedigree you love and the design you need, here is a prime-aged Who x 734 blend with more muscle and better movement. Examine the hip and top shape on this beauty. She's soft on her pasterns, more shapely than most, and as hairy as she needs to be. This is a high-potential combination with No B.S.!

Kroupa Genetics

Lot 62

KROUPA 412P

Female Calved: 2004

Sire: **The Witch Doctor**
 Dam: **Angus by Traveler 6807 son**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Classic club calf genetics with a proven track record, this smooth, correct cow has a gorgeous udder that she used to produce a \$2,500 heifer by Smilin' Bob this past fall. Her next hit will be by No B.S., the super-stout Dirty Harry x Cunia 602 x Covino III blend that has them all talking in White Lake!

Kroupa Genetics

Lot 63

KROUPA 4

Female Calved: 2004

Sire: **Maine Break**
 Dam: **Pistol Pete**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

A former All-American Maine-Anjou Show Heifer, this higher percentage cow takes bone and hip to higher levels. She's big but she delivers big quality. Stud Monkey will bring the good again here!

Kroupa Genetics

Lot 64

KROUPA 53

Female Calved: 2005

Sire: **Strictly Business**
 Dam: **Angus**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

A big boned, white-legged Business daughter with hip and stoutness to spare. Just right for Stud Monkey!

Kroupa Genetics

Lot 65

KROUPA S-74

Female Calved: 2006

Sire: **Friction**
 Dam: **Cold Front x Lady Strutt**

Exposed to No B.S. 11/7-12/23 – Safe-in-calf

Defect-free club calf genetics with extra thickness, here is a small but mighty producer. She's great necked and long haired and perfectly mated to No B.S., a wide and chunky son of Dirty Harry from a powerful Cunia 602 x Covino II donor at White Lake.

Kroupa Genetics

Lot 66

Manchild

KROUPA T-06

Female Calved: 2007

Sire: **Hannibal**
 Dam: **Strictly Business**

Exposed to Stud Monkey 11/7-12/23 – Safe-in-calf

A full sister to Manchild, sire of many winners, this smaller, shaggier blue roan has got the look you need! She was purchased to show but never quite got big enough – the perfect scenario for a top steer producer. We missed her at photo time but you need to find her. She's great on the move with good feet, clean joints, strong bone and a squeaky clean neck you'll love. Hang on to your hats when this Stud Monkey arrives!

Bradley Hale Herefords!

Lot 69A

HALE 035

Female

Calved: 8/25/10

Sire: **Made Right**

Dam: **Hale Donor 3012** (Hereford x Hereford 0002)

Exposed to Easy Does It – Due approx. 9/05

Just what you need to crank up the fire in any Hereford steer program, here is a delicious pair of full sisters to BH Right On and BH Just Right, two of the hottest steer sires in the Hereford game. This valuable building block is huge boned and great looking with tremendous hip, hair, and balance. She can surely stand on her own

four feet when it comes to quality but the success of her brothers makes this decision even easier. Right On is making his mark as a young sire of quality with sons selling as high as \$20,000, and Just Right recently sired the 2012 Ft. Worth Champion Hereford Steer from his first crop. What's more, David Carver, TX, selected a stout full sister from our 2011 offering for \$9,000. Come to Hereford for Hereford Power this spring!

Hale Cattle

Hale Donor 3012

HALE 047

Female

Calved: 8/25/10

Sire: **Made Right**

Dam: **Hale Donor 3012** (Hereford x Hereford 0002)

Exposed to Easy Does It – Due approx. 8/25

Another full sister to Right On, Just Right, and the \$9,000 top-selling Hereford bred heifer of our 2011 Share the Future Sale, you'll need to come early to sort this pair – or just take them both. This one sets new levels for flash and eye appeal with incredible hair quality plus the square, complete form you'll need. The 3012 donor was a San Antonio Grand Champion and she is a full sister to the proven sire, BH 3011, plus Hale Donor 3014, the dam of Lot 70. She just won't quit when it comes to making great cattle, and you'll go to the bank with this pair of outstanding sisters!

Sire: **BH Right On** (Made Right x BH Donor 3012)

Dam: **Hale Donor 3014** (Hereford x Hereford 0002)

Exposed to Easy Does It – Due approx. 8/25

What a powerful Hereford package! Here is another great daughter of Hale Donor 3014, the full sister to BH 3011 and BH Donor 3012, the dam of BH Right On, BH Just Right, a \$9,000 feature of our 2011 offering, and the Lot 69 heifers in this sale. This linebred heifer is a maternal sister to BH/Mimms Donor 713 whose first five steers sold for an average of \$8,580 for Mimms Cattle, and whose son by Made Right recently sold one-half interest for \$12,500 for Born Herefords, TX, from a flush they purchased in a past edition of this sale. This pedigree has proven itself time and again, and this heifer has the great balance, hair, and sweet neck of the best of them. Tie on here!

Two Daughters of Barber Ranch 4103!

HALE 045

Female Calved: 9/01/10

Sire: **Made Right**

Dam: **Barber Donor 4103** (BR Wildfire x BR 2131 by BR 9139)

Exposed to Easy Does It – Due approx. 8/30

Produced from a Donors Unlimited embryo purchase, this polled Made Right daughter blends the best Hereford steer genetics with a maternal pedigree that is double-bred to Barber Ranch's great 9139 sire. There are too many winning Herefords in this pedigree to count, and this heifer is very complete and correct with upgraded muscle shape, a sweet front end and a disposition to match. These are foundation Hereford genetics anyone can use!

MIMMS 03

Female Calved: Fall 2010

Sire: **Made Right**

Dam: **Barber Donor 4103** (BR Wildfire x BR 2131 by BR 9139)

Due to calve September 20 to Easy Does It – Calf Sex: Bull

More power from Barber Ranch's 4103 donor, this is quite a pair of sisters! You'll love the structure and movement of this long-necked favorite that blends just the right amount of muscle with a very classy form. A maternal brother to her linebred dam sold for \$6,100 in the 2012 Mimms Club Calf Auction and this pedigree has created a long list of winning Hereford cattle. She's high percentage and high potential!

Mimms Cattle

Lot 71b

HALE 044

Female Calved: 9/01/10

Sire: **Made Right**

Dam: **Hale 751** (Tater x Hereford)

Exposed to Easy Does It – Due approx. 9/05

From the great-producing 751 cow at Hale Cattle, here is a full sister to a young bull that has been retained for in-herd use. This one is powerfully-built with more width of chest, more shape in her rib and top, and a deeper twist. She's expressive and stout but still great haired and really good necked with an eye-catching look. Her two full brothers sold for \$4,000 and \$3,000 this spring and we'll be hearing more from her mother. You need this one!

2011 Houston Stock Show Champion Polled Hereford Steer

HALE 030

Female Calved: 8/25/10

Sire: **BH 3011**

Dam: **Hale Donor 2290** (Cannon x Hereford)

Exposed to Easy Does It – Due approx. 9/10

Tried and true genetics from the core of the Hale Hereford program, here is the super-attractive sister to three breed champions at recent Texas majors. Her brothers won the Hereford shows at Ft. Worth in 2007, Houston in 2008 and 2011, and her sisters were top sellers of our 2009 Share the Future offering. This big-hipped, classy lady offers cornerstone genetics from the famous BH 3011!

Hale Cattle

HALE 034

Female Calved: 8/20/10

Sire: **BR 5115**

Dam: **Hale 2290** (Cannon x Hereford)

Exposed to Easy Does It – Due approx. 9/15

Another valuable building block from Hale Donor 2290, this big-legged heifer offers a new twist on a proven theme. She is sired by Barber Ranch 5115, a proven sire of Hereford champions, and her dam has produced no less than three Texas major breed champions as well as a slew of high sellers. You won't find many of these for sale!

Hale Cattle

Lot 73b

2008 Houston Stock Show Champion Polled Hereford Steer

HALE 038

Female Calved: 10/12/10

Sire: **BH 421** (by BH 3011)

Dam: **Hale 5003** (Hereford x Hereford)

Exposed to Easy Does It – Due approx. 10/25

This is the youngest of the bred heifers in the Hale offering and a sister to a pair of top females working in Miami. Her dam has never produced a bull calf and she makes the right kind like this big boned, ideally-sized youngster. These heifers are bred to Easy Does It, a low birth weight Hereford son of CL1 Domino 6143.

Hale Cattle

Lot 74

HALE 039

Female Calved: 9/25/10

Sire: **BH 421**

Dam: **Hale 0003** (Hereford x Hereford)

Exposed to Easy Does It – Due approx. 10/25

This might be the deepest, hairiest, and most moderate of the Hale Herefords. Her dam is a huge boned, stout purebred cow that is very consistent. The loose structure and reduced frame score of this heifer will make her easy to use anywhere.

Hale Cattle

Lot 75

HALE 049

Female Calved: 10/10/10

Sire: **BH 421** (by BH 3011)

Dam: **Hale 409** (Musket x Hereford)

Exposed to Easy Does It – Due approx. 8/30

A deep red, great-haired Hereford from BH 421, the sire of some of the best young females at Hale Cattle. This younger heifer is moderate and complete with excellent length and balance. These Hereford heifers are bred to Easy Does It, a low birth weight Hereford son of CL1 Domino 6143.

Lot 84

MIMMS 07

Female Calved: Fall 2010

Sire: **Solid Gold**

Dam: **Mimms Donor 701** (Chunky Monkey x Miss Perfection (Full Flush x Ms Chill 602G))

Due to calve August 18 to Celebration - Calf Sex: Heifer

From the first ET crop of Mimms Donor 701, the great Chunky Monkey daughter of Kroupa's fabled Miss Perfection donor by Full Flush, this is a pink-nosed powerhouse that needs to make your short list. Her young dam is rising through the ranks in a hurry with a 2011 crop that included five steers that have sold for a \$6,460 average including a \$7,250 son that was raised by Beau Brock, TX, from a pregnancy purchased here a year ago. This perfectly-stout heifer resembles her dam in many ways only she might be more moderate and even bigger boned.

Four Daughters of K- 008 Snowflake!

TCC 01

Female Calved: 3/12/10

Sire: **Heat Wave**
Dam: **K- 008 Snowflake**

Due to calve 8/05 to Navajo – No exposure

We've got a great set of well-bred replacements for you to select from again this year but few are backed by as powerful of a dam as this great set of sisters from the amazing K- 008 Snowflake donor at Thorne Cattle Company. This pink-nosed blonde is heavy and rugged with excellent body and hip shape plus some of the best, blonde hair you'll find.

Thorne Cattle Company

Lot 85a

TCC 011

Female Calved: 8/10/10

Sire: **Point Taken**
Dam: **K- 008 Snowflake**

AI 11/10 to The Witch Doctor – PE to Monkey Business 11/20-12/10 – Safe-in-calf

The second of four exciting daughters to sell from K- 008 Snowflake, the leading Thorne donor that is featured again in our embryo sale and has produced in excess of \$120,000 in sales since 2009, this favorite heifer has the sound, cowy look of her remarkable dam. She's full bodied and impressive and she may calve to Monkey Business, a low birth weight Chunky Monkey son from a Beat the Heat cow whose 2011 calf sold for \$15,000 in the 2012 Mimms Club Calf Auction.

Thorne Cattle Company

Lot 85b

TCC 04

Female Calved: 9/20/10

Sire: **Milkman**
Dam: **K- 008 Snowflake**

Due to calve 7/31 to Ali – No exposure

A very young heifer with that you should not miss! This is the youngest of this impressive set of sisters from 008 and she's got the look and much more. The structure and design on this heifer are outstanding – she might be the prettiest of the group – and she's pink nosed with great hair and show heifer looks. She'll get older.

Thorne Cattle Company

Lot 85c

TCC 09

Female Calved: 8/07/10

Sire: **Milkman**
Dam: **K- 008 Snowflake**

Due to calve 8/03 to Navajo – No exposure

There is a reason that 008 Snowflake has produced \$120,000 in revenue since 2009; she makes the right kind, like Dalhart 008, and her calves win, just like the Champion MO Charolais Steer of the 2012 Missouri AGR and the Bezner family's Champion Steer in both rings of the 2011 Panhandle Parade of Breeds. This very young blonde is sweet necked and hairy with the right design.

KROUPA 202

Female Calved: 2010

Sire: **West Covina** (PB Charolais)
 Dam: **Mimms Donor 7X-1** (by Jack Frost)

Exposed to Damage Control – Due 5/10-5/20

A maternal sister to the 2010 North American International Grand Champion Steer and a promising daughter of the great Mimms Donor 7X-1, this is one powerful smoke! She's as hairy and wide as they come with ideal frame score and mobility. Her flush mates have been exceptionally consistent, and this one will calve shortly after the auction so you'll have plenty of time to mass produce her goodness before you need to breed her back for more. Foundation stock!

KROUPA 153

Female Calved: 2010

Sire: **Troubadour**
 Dam: **Heat Wave x Charolais**

Exposed to Hammer Down 11/1-12/23 – Safe-in-calf

A full sister to the \$38,000 steer Ryan and Chad Forman sold in the Main Event Club Calf Sale, here is one curvy, long-haired blonde you need on your team! She's got the body, size, thickness and pedigree to deliver on a higher level. Big color is coming with Hammer Down!

Kroupa Genetics

Lot 88

HALE 033

Female Calved: 8/10/10

Sire: **Walks Alone**
 Dam: **Hoo Doo Charolais**

Exposed to Nice Addition – Due approx. 8/25

A sweet silver with a great look, this is a favorite in the bred heifer offering for her complete design and powerful femininity. She is great colored and a leader in terms of balance and design.

Hale Cattle

Lot 88

Lot 89

HALE/MYERS 048

Female Calved: 8/15/10

Sire: **White Lightning** (PB Charolais)
 Dam: **Hale 5164** (Heat Wave x Meat Loaf)

Exposed to Nice Addition – Due approx. 9/15

Exclusive genetics with extra power, here is the fine result of embryo purchased from Scott Myers, TX, and a donor dam that sold for \$10,000 in his dispersal after producing two sons that placed well at Ft. Worth and Houston in 2010. This is one of the few daughters of White Lightning that you'll find for sale and she is super thick and square with fantastic fuzz and an ideal frame score.

Lot 89

The 8th D.U. Bred Heifer Offering

Our Freshest Genetics!

Lot 90

Horn Livestock 069

HL 0122

Female Calved: Fall 2010

Sire: **Blanco**
 Dam: **HL 122** (Heat Seeker x Power Plant)

THF/PHAF - Exposed to HL 069 11/01-11/30 and HL Chiefton 12/01-1/10 - Safe-in-calf

Here is the star-headed half-sister to the \$30,000-valued young donor that Bird Cattle, TX, selected from the Horn pastures a year ago. Like her sister, this half-blood Charolais will make a gorgeous cow with her great feet, perfect balance, and extended front plus more than enough muscle shape. Her double-clean dam is a real favorite but she might not be as sweet as this one!

Horn Livestock

Lot 90

HL 086

Female Calved: Fall 2010

Sire: **Charolais**
 Dam: **Maine x Angus**

Exposed to HL Chiefton (Chief x HL Donor 515) 11/10-1/10 - Bred 12/20 - Safe-in-calf

Look to Horn Livestock to bring the colorful, outcross cow power that works! This double-clean beauty is unrelated to anything you'd ever mate her to and she's smooth and complete with upgraded shape and muscle. She reminds us of the young donor that Hale Cattle Company, TX, selected from our 2010 offering that recently produced a \$7,500 steer. Safe to the Chiefton, the 55 lb. BW brother to the 2010 San Antonio Grand Champion Steer!

Horn Livestock

Lot 91

Lot 91

Lot 92

HL 0238

Female Calved: Fall 2010

Sire: **HL Li'l Ben**
 Dam: **HL Donor 238** (Ammo 388 x Maine x Shorthorn)

Tested THF/PHAF - Exposed to HL 069 11/01-11/30 and HL Chiefton 12/01-1/10 - Safe-in-calf

From Horn Livestock's famous "Hippo" 238, here is a classy silver/paint that blends calving ease and cow power into a very pleasing form. Check the great feet and structure on this Li'l Ben daughter whose donor dam is bred much like the famous HL Donor 419 that produced Lot 1 and the 2012 Ft. Worth and San Angelo Grand Champion Steers. Double clean and double good!

Horn Livestock

Lot 92

HL 0725

Female Calved: Fall 2010

Sire: **Poker Face** (Char x Maine)
 Dam: **HL Donor 725** (Heat Wave x Jack Frost x Glover 505)

Exposed to HL Chiefton (Chief x HL Donor 515) 11/10-1/10 – Safe-in-calf

Here is a shapely blonde from the Horn Livestock embryo program and a stacked cow family! She'll be hard to ignore sale day with her chunky, curvy, clean-jointed form, and she'll be one to build around as her donor dam is backed by the lasting strength of the great Glover Donor 505, one of the most successful females in the history of the winning program at Glover Show Steers, OK. Safe to the low birth weight brother of the 2012 San Antonio Grand Champion Steer!

Horn Livestock

Lot 93

TCC 010

Female Calved: 7/27/10

Sire: **Milkman**
 Dam: **TCC 7** (Lifeline x Hoo Doo)

Due to calve 7/04 to Navajo – No exposure

A silver-baldy with extra body and substance, this heifer is a sister to a slew of Texas winners by Milkman. She's stouter and easier fleshing with the look of a top female.

Thorne Cattle Company

Lot 94

BOYSEL 033

Female Calved: March 2010

Sire: **Milkman**
 Dam: **Boysel Donor 539** (Superman (Char) x OCC Anchoreess 939)

Due to calve 8/14 to GOET I-80 – Calf Sex: Bull

From the featured Boyssel Donor 539, here is a silver lady you should not leave without! Her dam has been the source of considerable happiness and this young daughter is square and shapely with the proper tools. We missed her at photo time so be sure to find her sale day. Load up on her and her full sister!

Boysel Genetics

Lot 95a

BOYSEL 075

Female Calved: March 2010

Sire: **Milkman**
 Dam: **Boysel Donor 539** (Superman (Char) x OCC Anchoreess 939)

Due to calve 9/13 to GOET I-80 – Calf Sex: Bull

The full sister to Lot 95A, this one looks like she could replace her donor dam in time! She has the hairy, thick form you need plus extra depth, proper structure, and a great attitude. Both of these sisters are excellent!

Boysel Genetics

Lot 95b

Two Daughters of GK Donor M-93!

MIMMS 093

Female Calved: Spring 2010

Sire: **Who Made Who**

Dam: **GK Donor M-93** (Lautner's Anchor (Windsor x Buck) x GK Angus 602)

Due to calve September 6 to 2- Solution - Calf Sex: Bull

Exceptional power from the embryo program and the core of the success at Kroupa Genetics! This fantastic frontrunner might be the biggest boned Who Made Who daughter you've found and she gets it honestly from a \$60,000 foundation donor dam that is a maternal sister to the famed Ms Chill 602G and GK Donor H-832, among others. A full sister to this heifer was a \$10,250 feature of the 2011 Sweetheart Sale and this version is classier and better haired with feet and bone size that are rarely found on this pedigree. Did I mention the hair and the neck?

Mimms Cattle

Lot 96a

MIMMS 094

Female Calved: Spring 2010

Sire: **Who Made Who**

Dam: **GK Donor M-93** (Lautner's Anchor (Windsor x Buck) x GK Angus 602)

Due to calve September 24 to 2- Solution

Another full sister to GK Donor P-4 and more proof of the power of the \$60,000-valued dam that paired so nicely with Who Made Who, this might be the bigger backed and fullerhipped of this dynamic duo. She has more depth and rib shape than you expect from her sire and she'll be a favorite cow for years to come.

Mimms Cattle

Lot 96b

MIMMS 022

Female Calved: Fall 2010

Sire: **Chunky Monkey**

Dam: **Donor F-22** (Draft Pick x Angus 349)

Due to calve August 18 to Above & Beyond - Calf Sex: Bull

Power in the blood! Here is a valuable daughter of the great Donor F-22, a longtime standard in the industry for quality and power. This half-blood Charolais is very correct with great muscle shape and a long, feminine front end. Her full sister was a top seller of our 2010 sale to Raul Martinez, TX, and others are leaders for top programs plus another sells as Lot 26. The strength of this pedigree is well tested and this young female will make a wise choice. She sells safe to Above & Beyond, an ultra-low birth weight Red Angus sire at ABS Global.

Mimms Cattle

Lot 97

Two Daughters of Mimms Donor FF602!

MIMMS 0602-1

Female Calved: Fall 2010

Sire: **Doc** (OCC Doctor)

Dam: **Mimms Donor FF602** (Full Flush x Ms Chill 602G)

Due to calve August 18 to Above & Beyond – Calf Sex: Bull

What a cow prospect from FF602! Here is the twin sister to Lot 98B by Wade Rodgers' female sire, Doc, and together they make an exceptional pair. This one is perfectly sized and very complete with great hair and a powerfully feminine shape. This is new-generation club calf maternal genetics at their finest!

Mimms Cattle

MIMMS 0131

Female Calved: Fall 2010

Sire: **Heat Wave**

Dam: **Mimms/Sharp Donor 131** (Heartbeat x DHD Traveler 6807)

Due to calve August 31 to 2 – Solution – Calf Sex: Heifer

A stylish full sister to the Reserve Grand Champion Steer of the 2009 National Western Stock Show, this is the first bred daughter to sell from Donor 131. She might be the longest-haired heifer in the offering plus she is very loose in her movement with a stylish profile.

Sire: **Irish Whiskey**
 Dam: **Griswold Comm Angus**

Exposed to Simple Math 11/1-12/23 – Safe-in-calf

Another big bodied, sound and powerful Whiskey daughter with the hottest blood in the game! This one offers upgraded width and hair but she won't need it with Simple Math!

Kroupa Genetics

Lot 102

MIMMS 038

Female Calved: Fall 2010

Sire: **Monopoly**
 Dam: **Mimms 338** (Sandman (The Witch Doctor) x Maine Anjou x An)

Due to calve August 18 to Above & Beyond – Calf Sex: Bull

Extreme bone and shag sell along with this wide, soft bred heifer that is the first daughter to sell from Mimms 338. She's small but mighty and she sells safe to Above & Beyond, an ultra-low birth weight Red Angus sire at ABS Global.

Mimms Cattle

Lot 103

BOYSEL 022

Female Calved: March 2010

Sire: **Total Solution**
 Dam: **3C Sturdy x Angus**

Due to calve 8/14 to Carpe Diem – Calf Sex: Heifer

Jet-necked and star-headed, this long-haired Total Solution daughter is backed by a productive female. She'll make an impressive cow with her hairy-legged, complete design and she'll get started quickly with the limited Carpe Diem!

Boysel Genetics

Lot 104

BOYSEL 050

Female Calved: February 2010

Sire: **Total Solution**
 Dam: **3C Sturdy x Angus**

Due to calve 8/14 to Carpe Diem – Calf Sex: Bull

A painted lady by Total Solution, this one will work! She's sharp and angular with the right structure and pedigree to make a strong source of profit. Her baldy Carpe Diem son will be as hairy and easy to sell as they come!

Boysel Genetics

Lot 105

Power from the Core...

Donor N-117 Genetics!

KROUPA 183

Female Calved: 2010

Sire: **Carpe Diem**

Dam: **GK S-01** (GCC Cerveza x Donor N-117)

Exposed to Ringer – Due 5/10-5/20

A daughter of the \$26,000 featured Lot 1B of our 2011 Share the Future Sale that was selected by Griswold Cattle, OK, this painted Carpe Diem heifer is a certain commodity. She shares the wealth of the N-117 family – the same family that produced the Grand Champion Steer of the 2011 Ft. Worth Stock and the top sellers of the past three Mimms Club Calf Auctions – with her chunky, sound, hairy design. Power up!

Boysel Genetics

HALE 031

Female Calved: 8/15/10

Sire: **Walks Alone**

Dam: **Hoo Doo Charolais**

Exposed to Nice Addition – Due approx. 8/25

If you need yours to be super wide and super hairy, then this redhead is for you! This is a freaky, stout one with a powerful chest, incredible hair, and a sweet neck. Her dam is a top-producing purebred Charolais from Hoo Doo Ranch. She'll calve to Nice Addition, the brother to the \$16,000 Wagonmaster by Duff New Addition.

Hale Cattle

HL 055

Female

Calved: Fall 2010

Sire: **Milkman**

Dam: **HL Donor 55** (Full Time x The Witch Doctor)

Tested THC/PHAF - Exposed to HL Chiefton (Chief x HL Donor 515) 11/10-1/10 - Safe-in-calf

A huge-legged, wide-moving showpiece from the same dam as the \$17,000 Heat Wave steer that went on to be selected as the Class 5 Chi winner of the 2010 Houston Livestock Show! This painted powerhouse is big haired and great at the ground and she'll calve easily to HL Chiefton, the ultra-low birth weight maternal brother to the 2012 San Antonio Grand Champion Steer.

Horn Livestock

Lot 200B - Confirmed, unsexed pregnancy by Walks Alone
Due to calve July 30, 2012 - Available sale day - Recipient is a crossbred cow Tag 49

Lot 200C - Three embryos by Heat Wave

Lot 200D - Three embryos by Chunky Monkey

Lot 200E - Three embryos by Believe In Me

Tried, true, and hotter than ever! The Loaded Lady has been the consistency queen over the years and her 2011 crop might have been her best yet. A son by Walks Alone was a \$9,500 favorite of the recent Mimms Club Calf Auction where his full brother brought \$3,900. Over the years sons of The Loaded Lady have collected more banners than nearly any cow in our arsenal. Her 2008 son by Heat Wave sold for \$12,500 for resale and was a 4-time winner for the Gentry family, IN, at the Morrow County Classic, Morgan County Preview, The Cannonball Classic, and the Columbiana Preview before winning his county fair. Two other sons by Dr Hook commanded big premiums with one selected as the Reserve Grand Champion Steer of the 2004 Kentucky State Fair and the other chosen as the Grand Champion KY Steer of the 2005 Kentucky Beef Expo. Count on these calves to be fancy, sound, hairy, and easy feeding. That's what you get with the Loaded Lady!

Lot 200E is offered by Sharp Farms

EMBRYOS BH/MIMMS DONOR 713

Donor Sire: **Wasp**
Donor Dam: **Hale Donor 3014**

Lot 201 - Three embryos by Made Right

A product of a past Donors Unlimited bred heifer offering, Mike Mimms was the smartest man in the room when he selected this now-proven powerhouse for just \$6,250. In two smaller embryo crops - her production has been limited lately - she pushed her way to the top of the priority list in the HVC pens with an array of hits like her first five embryo steer calves that have sold for an astonishing average of \$8,580 plus a first natural steer calf by Hale's calving-ease bull that sold for \$3,200. We sold her first flush in our 2010 sale to Born Herefords, TX, for just \$2,900 and they recently produced a son by Made Right that sold one-half interest for \$12,500.

This impressive donor is a product of one of the best female lines at Hale Cattle Company. A maternal sister sells as Lot 70, and a full sister to her dam produced the red-hot sires BH Right On and BH Just Right plus the \$9,000 top-selling Hereford heifer of our 2011 offering. This family repeats success every year and you can expect big rewards from this investment. Only problem is, Donor 713 doesn't make too many eggs lately. Grab these tightly!

Due to calve September 1, 2012 - Available sale day - Recipient is a crossbred cow Tag 158

Lot 202E - Three embryos by Milkman

Lot 202F - Three embryos by Milkman

The hottest ticket in the game for three years running, here is a huge offering from one of the very best cows that our business has known! Donor N-117 has been simply dominant in production with back-to-back-to-back-to-back greatness from a multitude of sires. She sets the trend for power and major success and she delivers the modern, winning kind with wonderful consistency.

Her 2009 son by Milkman was one of the most popular champions in recent memories of the Ft. Worth Stock Show and N-117 proved she was not a one-hit wonder when her 2010 crop yielded ten sons by Walks Alone and Smooth Sailing - 100% of the N-117 crop from that fall - combined to average \$4,620 with a top of \$31,000 and the top 5 averaging \$13,700 including the very popular Walks Alone son that won Class 11 of the 2012 Ft. Worth show for Rhett Bain. This was only surpassed by her 2011 crop that included a Milkman son that set a new record in the Mimms Club Calf Auction at \$64,000 plus his full brother at \$15,000 and a maternal brother that brought \$32,000 while daughters by Milkman sold for \$15,000 and \$8,500; all told they brought in \$162,600 on 13 head sold to average \$12,508.

Our 2011 Donors Unlimited Sale featured a trio of daughters as Lot 1 that included the record-setting GK 4527 that brought \$60,000 to Garwood Cattle, LLC, to set a new record for this event while her maternal sisters brought \$26,000 and \$5,000 - all three are new donors. We sold two daughters in our 2010 event for \$6,750 each plus two sons sold for \$13,000 and \$12,000 in 2010 and three young daughters averaged \$6,566 to top the 2009 Mimms Sale. Also, a son of N-117 and Smooth Sailing was selected as the Reserve Champion Maine Steer of the 2010 Oklahoma Youth Expo.

If you need more reasons to buy now, then you've not been paying attention. Donor N-117 is the complete beast - on the hoof, on the tanbark, and on the balance sheet. We only wish she made more eggs - those selling here are some of her last in existence. Buckle up and Share the Future.

Lots 202A-202D are offered by Garwood Cattle, LLC and Boysel Genetics

Lot 203

Lot 203A - Confirmed, unsexed pregnancy by Heat Wave

Due to calve September 1, 2012 - Available sale day - Recipient is a crossbred cow Tag 0415

Lot 203B - Confirmed, unsexed pregnancy by Solid Gold

Due to calve September 13, 2012 - Available sale day - Recipient is a crossbred cow

The best and the brightest work for the DU Team and this is another amazing beast that can lay considerable claim to "hottest cow in the country" honors. Horn Livestock's 419 donor is cutting a wide swath through the Texas majors and her combinations with Heat Wave and Solid Gold have been nothing short of remarkable if not historic. The pair of pregnancies selling here are the first ever sold from Donor 419.

She is the dam of the fantastic female that sells here as Lot 1 that was produced from the same flush as Cuatro Schauer's 2012 Ft. Worth Stock Show Grand Champion Steer. This is the same recipe that was used to produce Adrian Jolly's 2011 Arizona National Grand Champion Steer as well as the Reserve Champion Progress Steer of the 2011 Fall Classic, the Grand Champion Steer of the 2008 Belt Buckle Bonanza plus the Champion Maine Steer of the 2009 Oklahoma Youth Expo and the Champion Charolais Steer of the 2007 Star of Texas.

The combination of Solid Gold and Donor 419 may go down as the best flush ever produced at Horn Livestock. Products include the amazing new sires My 0 My and Born Free plus winning steers at \$30,000, \$12,500, and \$11,500 including Jonathan McAnulty's 2012 San Angelo Grand Champion Steer and the Reserve Grand Champion Steer of the 2011 West Texas Fair.

We've stacked this 8th offering with the greatest club calf options we can imagine and this is one you cannot ignore. Like Bush says, "You'll be headed to the pay window when these trinkets arrive!"

Mimms' Newest Donors...

Pick Your Favorite(s) & Flush!

Mimms Donor 70

Mimms Donor 107

Hara's Miss Whiskey 8T

Mimms Donor 298

THE RIGHT TO FLUSH ANY NEW MIMMS DONOR

Special Terms of the Flush: Pick any cow and flush her your way. Your flush is guaranteed to produce a minimum of 8 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. All donors are open and may be flushed shortly after the auction.

Lot 204 Option A: Mimms Donor 70 – Ice Pick x Maine x Angus

The best kind of Ice Pick daughter to try for big success, this recent feature of the 2012 Pryority One Sale is quite a sight. With her pedigree, you know she's got the muscle and stoutness you need but be sure to look more closely. She's smaller with much better hair, ideal udder quality, and her front end could not be better. She's mobile and feminine and just right for a variety of big combinations.

Lot 204 Option B: Mimms Donor 107 – Doctor Who x Jazz

The high seller of the 2012 Pryority One Sale, this is an ultra-modern beauty with great tools for winning show cattle. She's better in terms of frame score and body shape with fantastic foot size, placement, and movement. She's THF by pedigree but you'd never guess it because she's got hair everywhere and you'll love the design of her shoulder and front end. We think we can mate this one to power and go really big – see for yourself!

Mimms Cattle

All Lot 204 donors will be on display sale day

Lot 204

Lot 204 Option C: Miss Whiskey 8T – Ice Pick x NTC 615 Ever Ready

75% AMAA Cow 425239 – Tested PHAF – Owned with Sharp Farms

The world's only PHAF full sister to Irish Whiskey that has earned donor status, this is a rare building block that will make a valuable tool for improvement. Her pedigree is living gold and this female is equally exciting on the hoof with the proper frame score, massive body shape, great movement, and total feminine power. There are many ways to bring out the best in this young, registered leader. You tell us which will be the first.

Lot 204 Option D: Mimms Donor 298 – Fired Up (Heat Seeker x Angus) x Jack Frost x Take Charge

A former Indiana State Fair Champion Market Heifer whose dam won the same title, this one is bred in the purple and she'll be easy to use for quick success. She is as cool as they come with wall-to-wall shag, powerful bone, and all the right angles. She's a great mother to a fancy heifer calf and you'll see what has us excited when you see the pair. This cow has a perfect disposition and you'll know what to do with her when you see her. Another unique leader waiting to be discovered!

Lot 205C – Three embryos by Milkman

Lot 205D – Three embryos by Milkman

Lot 205E – Three embryos by Solid Gold

Lot 205F – Three embryos by Monopoly

We kicked off our frozen genetics sale with this incredible female the past two years and it took a lot to push her off her mark. She's still as good as ever; however, as her 2011 crop included three steers that sold in the 2010 Mimms Club Calf Auction for a \$6,566 average with a top of \$13,500 that went to Tony Austin, TX plus a daughter by Milkman that brought \$4,200. These are her best combinations and we know they'll bring you back for more.

This powerful production machine is one of the most valuable females at Mimms Cattle and known as the stoutest full sister to the famous "795 Super Cow." She is the dam of Stock Martin's dominant Milkman son from the 2010 season that was selected as the Grand Champion Steer of the 2010 Panhandle Parade of Breeds, the 2010 Tri-State Fair, and the 2010 Golden Spread Classic. He's not the first powerful Milkman son from this extreme-fronted, super-thick donor that produced a natural full brother to Stock's steer that brought \$22,000 in the 2008 Mimms Club Calf Auction – and there is more. Her 2009 crop included another \$8,300 son by Milkman plus a \$5,000 daughter by Heat Wave and six more calves that sold for \$12,900 in the 2010 Mimms Club Calf Auction plus her 2008 crop included three steers that sold for \$4,167 average and three heifers that sold for \$3,675 a piece in the 2009 Mimms sale. A full sister to 4193P produced the 2003 Ft. Worth Stock Show Grand Champion Steer as well as the AI sire All In, and a natural daughter by Yahtzee was one of the top heifer calves in the Top Line Dispersal as well. For maximum power, try these power packages on for size!

Lot 206A – Three embryos by Heat Wave

Lot 206B – Three embryos by Heat Wave

Lot 206C – Three embryos by Monopoly

Everyone loves this great female and, if you own some of these proven embryos, you'll know why. Since arriving from Sullivan Ranch, TX, this proven beauty has delivered nothing but quality. To date, our only four male calves from this cow have sold for the average price of \$5,238. The first steer we got was by Heat Wave and he sold to Bonham Show Cattle, OK, for \$7,900 in the first pen of the 2010 Mimms Club Calf Auction and he went on to be selected as a class winner of the 2011 National Western Stock Show. The 2011 Mimms Calf Auction featured a \$7,250 son, and a 2007 son by Heat Wave was the best bull prospect produced in the Sullivan Ranch program that year. 812M produced a natural Heat Wave steer in 2006 that sold for \$7,600 along with an impressive pair of daughters that averaged \$4,300 in the 2007 Sullivan Ranch Sale. The Ruby 812 progeny have all been big boned, very hairy and thick with a cool, sound design. This is the right kind – what a cow!

Proven Performers You Need On Your Team!

EMBRYOS OF MIMMS DONOR FF602

Donor Sire: **Full Flush**
 Donor Dam: **Miss Chill 602G** (Chill Factor x GK Angus 602)

Lot 207A – Three embryos by Solid Gold 2

Lot 207B – Three embryos by Solid Gold 2

Lot 207C – Three embryos by Milkman

Fresh from her best crop yet, here is the full sister to Lot 3, Kroupa's Miss Perfection, and the dam of the high-powered pair of heifers that sell here as Lot 98. Donor FF602 is another physically gifted, genetically loaded beauty from the 602 line. She's been bringing the rewards since she entered production but her 2011 crop was her best effort yet with four sons by Heat Wave selling for a \$5,200 average (they all sold between \$3,100 and \$6,500) and another by Solid Gold bringing \$4,500 in the 2012 Mimms Calf Auction.

Her first ET crops delivered on her promise of greatness with a pair of sons by Solid Gold that sold for \$8,500 each in the 2011 Mimms Club Calf Auction plus more sons by Heat Wave sold for \$7,000 and \$4,600 with a heifer at \$3,000 in 2010. Also, a daughter by Chunky Monkey sold for \$7,750 and a son by Heat Wave brought \$3,500 in the 2009 Mimms Auction. A son by Heat Wave sold to Jess Shirley, TX, and was the first place Heavy Chi Steer at the 2011 San Antonio Stock Show. This popular powerhouse is a leader because she is too talented to blend in with the pack – see for yourself sale day!

ZEKE X RED KNIGHT X EMULOUS ANGUS

Lot 208A – Three embryos by Heat Wave 5

Lot 208B – Three embryos by Carpe Diem

Lot 208C – Three embryos by West Covina

This cow really "Shares the Future". She raises more big winners for more people than just about any we can name. She has been a powerhouse in Hereford, no doubt, but her eggs seem to get even better every time we put them in a shipper. This little freak can raise them and she is due for another big winner any time now – it might as well be yours.

Schable/Burke/Foreman purchased some Heat Wave eggs from 7X-1 in a past Share the Future Sale and their purchase created the 2010 North American International Grand Champion Steer for Cody Burke, NE. He was a stout one but not the first from 7X-1 whose foundation dam produced in excess of \$263,000 in sales. A son by Monopoly sold for \$23,500 last spring in the Mimms Club Calf Auction and another brother, raised by Poe Ranch, TX, was the Division I Champion Crossbred Steer of the 2007 Fort Worth Stock Show, and the first calf from 7X-1 was a \$9,000 daughter by Dr. Hook. She works great with the Heat Seeker line but also has worked her magic with West Covina and Carpe Diem (see Lot 86) and ask Justin Renfro, TX, about his 7X-1 babies.

7X-1 is a small, wide, hairy machine that has worked like a charm. Her pedigree runs deep with successful, fertile, lasting cattle that have won over the long haul. She works for everyone!

The Last From Some of Our Very Best...

The 2010 Ft. Worth Champion!

2010 Ft. Worth Stock Show Grand Champion Steer

Mimms Donor 899

EMBRYOS OF MIMMS DONOR 899

Donor Sire: Meyer 734
Donor Dam: Gleghorn Donor 20 (Full Throttle x MA x Angus)

Lot 209 – Three/five embryos by Heat Wave

NOTE: Three embryos will sell but the winning bidder has the option to take two more - the last remaining embryos from Donor 899.

The 20 Family ranks as one of the best in the Texas record books and you never know when it will strike again! Rikki Buckalew and Derek Poe know how this recipe works as this is the same blood that produced their Grand Champion Steer of the 2010 Ft. Worth Stock Show from a flush Derek purchased in our Share the Future 4.

These are the very last embryos available from the 899 donor that ranked as the most productive of the famous Meyer 734 x 20 donors that worked for Dr. Mimms; all daughters of Dwight Gleghorn's foundation Donor 20 that also produced a number of winning show steers including a son by Meyer 734 that won both days of the OK Beef Expo in 1997. The 2006 Mimms Club Calf Auction featured 13 sons and daughters of 899 – none of her calves did not make the cut for the sale - a son by Dr. Hook stood second in Class 6 at Ft. Worth, and her natural heifer calf by the same mating sold in the spring of 2007 for \$4,500 to Nick Reimann, SD. Plus, a full sister to Donor 899 produced the powerful Lot 3 donor in our 2011 sale that sold for \$17,000 from Horn Livestock to Blake Boid, TX. 899 has powerful blood and this is the last chance to own it!

EMBRYOS OF DSUL KATHY 503K

Reg. Limousin Cow - Deceased

Donor Sire: SULL Cookie Monster
Donor Dam: DSUL Maria 28D

Lot 210 – Three embryos by Solid Gold

503K is gone but she had quite a run and this is your last chance to get a piece of her! She was one of the most versatile cows in the Mimms lineup and a great product of the time-tested and championship-proven cow family that produced so many major winners. This cow was built for winning show cattle production and she proved it every year.

Most recently, a daughter by Heat Wave was a multiple-winner that culminated her career with a selection as the Supreme Champion Female of the 2010 Star of Texas for the Bart Elder family. More Heat Wave progeny from 503K embryo sales have been high-selling favorites for our customers and an ABC son by Joe B sold for \$5,000 in the 2009 Mimms Calf Sale. Furthermore, in the 2006 and 2007 Sullivan and Bar A Show Calf Sale, 503K daughters produced the \$9,200 top-selling heifer and a \$5,200 show steer prospect. These embryos will produce calves that may be shown in a variety of divisions and the 503K heifers have been as good as the steers. This one worked and we miss her already!

Don't be bored with consistency, it pays the bills and makes life easier. This proven leader in the Mimms lineup – and industry wide - leads the way in terms of bankable consistency and profit for breeders from coast to coast. We're proud to call her ours and she continues to amaze us with her ability to produce upper-level success.

What makes her truly great?

- Ky Stierwalt, OK, showed a powerful son to the 2009 National Western Stock Show Market Steer Grand Championship. Produced from a flush sale to the Blackburn family, NM, in our second sale
- Kirbe Schnoor, CA, showed the Reserve Grand Champion Prospect Steer of the 2007 National Western Stock Show. Produced from embryo sales to Nowatzke Cattle, IN
- "Denver Heat" – A \$15,000 AI prospect owned by Granny Creek Farm, OH, and HK Cattle, TX. Produced from an embryo sale
- The 2008 Mimms Club Calf Auction featured 13 calves by Heat Wave that sold for a \$6,701 average. Another 100% crop of sale qualifiers
- The 2009 Mimms Club Calf Auction featured a \$10,000 son – the only one in the crop
- The 2010 Mimms Club Calf Auction top-seller at \$15,000 plus another steer at \$5,400
- The 2011 Mimms Club Calf Auction included one son by Heat Wave – he sold for \$5,800

7063 puts the "Power" in "Power Cow" and continues to create success, enjoyment, and profit for everyone that touches her. Dig in on a large and valuable offering from one of the best in the business – you never know when she'll strike again!

Lot 212B – Three embryos by Heat Wave 5

The 2009 National Western steer show was a clean sweep for the DU Team thanks to donors like those featured in Lots 211 and 212. That's right, both the dams of the Grand and Reserve Grand Champion Steers of the 2009 National Western Stock work for us and now you can put them to work for you!

Ever since this beauty landed in Hereford she has been in high demand and for good reason. All the power you'll ever need is right here and she proved it when her son by Heat Wave was selected as the Reserve Grand Champion Steer of the 2009 National Western Stock Show for Stetson Copus, TX. We can't seem to keep enough of these in stock to get many calves on the ground but be sure to see the excellent daughter that sells as Lot 99 for evidence of this cow's abilities. Smooth, hairy success begins here!

Fantastic Flushes!

THE RIGHT TO FLUSH HORN LIVESTOCK DONOR 630

Donor Sire: **Ice Pick x FJ/Mimms Donor 9105 by Power Plant**
 Donor Dam: **Charolais x Hereford x Angus**

Lot 213 – The Right to Flush Horn Livestock Donor 630

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 8 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. Donor 630 may be flushed in September 2012.

Mega-watt power and versatility that is well worth your drive to Hereford, we've got some incredible options loaded into this exclusive genetic offering. One look at this unique breeding piece and we think you'll agree that she needs to play for your team. Is she a Hereford? Is she a Simmental? Who cares, just flush her.

Look at the mobile power and immense body shape that this freak loads on to the right frame score. She's something to see – look at those feet and that neck - and she delivers the goods. Her 2011 crop includes the Made Right daughter shown here – don't bother pricing her – and her full brother that recently sold for \$25,000. She is the dam of a \$15,500 son by Solid Gold that sold last spring plus six outstanding daughters in the Horn program. She's due to Solid Gold again this summer and she can go to work for you after that. She is Jagger's favorite and you'll see why.

Lot 214 – The Right to Flush GK Donor 26/801

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 8 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. Donor 26 is open and may be flushed shortly after the auction.

It's time to start the pickup and head this way. Come for the fajitas on Friday and stay to own the flush of this far-out freak that will make you feel a little light headed. She's a rare one and she's ready for the bright lights.

You said you needed them stouter, hairier, and wider with that same front end you love but still keep them mobile. Well, we offer Donor 26 for your appraisal. You've got to get a piece of the tools that this female puts together. Foot size, bone shape, body capacity, soft muscle, and more flank plus the goose, the caboose, and flex that would make a raccoon jealous. Something big is waiting to be unearthed from this new-age leader that landed in Hereford this spring. All you need to do is own the flush and tell Doc what to mix with her. Wow!

Long Eared and Lovely...

The ABC's of Quick Success!

EMBRYOS OF HORN LIVESTOCK DONOR 771

Donor Sire: **Whiplash** (Chimaine)
Donor Dam: **Mimms Donor 471** (Meyer 734 x Cunia x Epinal)

Lot 215A – Three embryos by Superstar

Lot 215B – Three embryos by Superstar

Long-eared success like no other, Horn Livestock Donor 771 is arguably the most dominant and consistent source of Texas Champion Brahman steers in the game. She's gone but her sons keep winning at an incredible pace and she has been nothing short of a lock with this combination with Superstar.

This is the same pedigree that produced the \$25,000 Champion Brahman Steer at Houston in 2012, the Champion and Reserve Brahman Steers at Houston in 2011, the Reserve Champion Brahman Steer of the 2011 San Antonio Stock Show, and the 2008 Houston Stock Show Champion Brahman Steer.

When your ABC's are good you can do anything, and Donor 771 makes them as good as they get. These are exceptionally limited genetics as both the sire and the dam are gone. Get 'em while you can and be sure to smile for the photos!

Horn Livestock Donor 771 is deceased

EMBRYOS OF MIMMS DONOR 335A

Donor Sire: **Austin (by Tejano)** (Gray Brahman))
Donor Dam: **Popeye x Maine**

Lot 216A – Three embryos by Solid Gold 3

Lot 216B – Three embryos by Solid Gold 3

Just one of the very unique sources of success that are lurking in the Mimms donor pens and pastures, here is the embryo debut of Donor 335A, "The Lady In Red". She is a product of embryo transfer raised by Dr. Gary Warner, TX, and she was a feature of the 2008 Genetic Progress Sale where she topped the open heifer division. She has grown into a stout-producing, young donor whose first steer calf was the \$5,000 lead-off Gold son that found his way to the winner's circle. He was shown by the Skiles family, TX, and was selected as the Reserve Grand Champion of the Dalhart Jackpot and Dalham County Show.

Check The Lady In Red on sale day. She is a big boned, big hiped, good looking female that will bring home the gold with Solid Gold!

Lot 217B - Confirmed, unsexed pregnancy by Heat Wave
 Due to calve July 30, 2012 - Available sale day - Recipient is a crossbred cow Tag 181

Lot 217C - Three embryos by Smilin' Bob

Lot 217D - Three embryos by Monopoly

We warned you twice to get in on this young superstar in the Mimms program. Beau Brock, TX, was listening. He purchased a pregnancy from Donor 701 in our 2011 lineup for \$3,900 that produced a \$7,250 steer calf for this spring. Logan Platte, NE, was listening. He purchased three embryos from her that produced an \$8,100 Smilin' Bob son he just sold. We listened to our own advice as well and loaded up on eggs from this cow that led to a dynamic 2011 calf crop that included three steers that sold in the 2012 Mimms Club Calf Auction for a \$5,650 average. This cow is exceptionally consistent; she is bred to be that way.

She was produced from the only flush of the deceased Miss Perfection - the dam of Smooth Sailing and the second dam of Believe In Me and Walks Alone - to Chunky Monkey. Her full sister, Mimms 702, was a \$17,000 highlight of our 2010 Share the Future Sale and more siblings include highly valued, young herd sires as her dam, a full sister to Lot 3, was one of the most influential donors in the business. The first ET calves from 701 proved that she will be a major player in the future. She is so correct and powerful from every angle with excellent hair and a fault-free design.

EMBRYOS OF K-BAR COW 008 "SNOWFLAKE"

Donor Sire: **Blizzard Whiteout**
 Donor Dam: **K-Bar Cow 726** (Char x Angus)

Lot 218A - Three embryos by Heat Wave 5

Lot 218B - Three embryos by Monopoly

Lot 218C - Three embryos by Solid Gold

Everybody doesn't like something but nobody doesn't like this cow. The great 008 is back again and, if you haven't already, you need to take part of her home. This great three-quarter Charolais cow was the \$36,000 Lot 2 female of the 2007 Fall Female Sale at K-Ranch and she is proving to be worth every penny and more having produced in excess of \$120,000 since she came to Thorne Cattle Company. Her first ET crop in the Panhandle was amazingly consistent with a top steer of \$20,000 and several more by Heat Wave and Lifeline in the \$5-\$7,500 range. A strong quartet of daughters sells as Lot 85 and her sons have been winning plenty with recent victories like a Heat Wave son that was Grand Champion Steer of both rings at the 2011 Panhandle Parade of Breeds for the Bezner family plus a son by Walks Alone that was Champion MO Charolais of the 2012 Missouri AGR Preview and his full brother that was Reserve Grand Prospect Steer at Farmington, NM recently.

A daughter by Walks Alone just sold for \$6,000 plus 008 is the dam of K-White Fang by Full Flush and her 2007 daughter by Wildcard, K-Camilla 008T, brought \$8,000 and went on to claim Reserve Grand Champion AOB of both the junior and open shows at the 2008 New Mexico State Fair. This cow performs as good as she looks and she is a cinch with these matings. Was there ever any doubt?

Lot 219A – Three embryos by TR Firewater

Lot 219B – Three embryos by TR Firewater or Solid Gold

Lot 219C – Three embryos by Solid Gold

How do you find a purebred female more proven on a high level than this one? Miss Impressed 5145P was the 2007 National Western Grand Champion Charolais Female and her very first calf, PMS Kaycee 7787T by Firewater, was selected as the Grand Champion of the Fort Worth Stock Show in 2009 and Reserve Grand Champion of the 2009 National Western Junior Show. That's two National Championships for this one and she might have more to give in the crossbred business. Five sons by Heat Wave and one heifer by Paddy O'Malley sold to Bonham Show Cattle, OK, from her first ET crop and our customers love this one's embryos. 5145P is so correct and balanced with hard-to-find hair and show ring style in a purebred female that it's no wonder she works with both pure and crossbred sires. Consider both of the options selling here; Firewater semen is getting harder to get – he is the most dominant Charolais bull in the breed today – and this blend with Solid Gold has high-premium stock written all over it!

EMBRYOS OF BOYSEL DONOR 539

DONOR PEDIGREE:

Sire: **Superman**

Dam: **OCC Anchor x Angus**

Lot 220

Lot 220A – Three embryos by True Grit

Lot 220B – Three embryos by I-80

Another proven, smoky offering that is ready to deliver modern power with these red-hot combinations! This massive and productive female is sure to be a favorite of our pre-sale display. She was bred in the Boysel program and her first ET calves arrived in 2010 where they later sold for a \$5,500 average in the 2010 Boysel Club Calf Sale to Wade Rodgers, IA, Goettemoeller Show Cattle, IN, and Bruce Egbert, OH – all for resale. This silver whale is working because her calves have the same giant middle and wide base that she has, see her daughters selling at Lot 95 for proof. They've been strong and these matings will deliver large scale smoky success!

Boysel Genetics - Boysel Donor 539 will be on display sale day

DONOR PEDIGREE:

Sire: **Thomas Outlaw**

Dam: **GK Donor G-1**

Lot 221

Lot 221A – Three embryos by Heat Wave

Lot 221B – Three embryos by Heat Wave

One of two direct daughters of the famed Kroupa G1 donor that are featured in this sale, Donor 5G-1 is the full sister to the Lot 221 donor, Miss Outlaw M-51, the dam of GK Stud Monkey. 5G-1 was herself the \$24,000-valued top-seller of the 2007 Sullivan Ranch Genetic Progress Sale and her deceased dam was one of the remarkable females our business has ever known. Sons and daughters of G-1 include GK Donor R26, the \$29,000 top-seller of the 2007 Sweetheart Sale, the \$12,500 top heifer calf of the 2006 Mimms Club Calf Auction whose first calf crop included a son by Heat Wave that sold for \$33,000, popular sires such as White Lake, Get Smoked, Smokin' Gun, and Beat the Heat, and a Heat Wave daughter that topped the 2008 Mimms Club Calf Auction at \$22,000. The G1 daughters breed on as well as any. Study this one awhile!

Donor Sire: **Thomas Outlaw**
Donor Dam: **GK Donor G-1**

Lot 222 – Three embryos by Chunky Monkey

The dynamic dam of GK Stud Monkey, a featured and limited service sire to this offering! This amazing three-quarter Charolais female keeps doing her job and making big hits. She is the dam of the \$46,500 top-selling female of the 2011 Sweetheart Sale to Bird and Mimms, TX, GK 911, shown here. She was the \$40,000-valued top-seller of the 2007 Sweetheart Sale and a proven source of top-sellers and show winners with a first ET crop that included a \$13,750 daughter by Hoo Bear that was a multiple winner in Ohio for the Matt Reed family before joining our team; she's the Lot 223 donor. She also gave us the Lot 47 female that we sold in our 2010 lineup for \$10,750 to Ramiro Martinez, TX, plus the \$20,000-valued Lot 224 donor.

Proven power genetics at work! The Kroupa G-1 line is one of the most recognized and prolific in the business – bar none. This is the same family that produced White Lake, Get Smoked, Smokin' Gun, and Beat the Heat; and this cow is steadily becoming one of the most valuable females in our lineup. Lots 221-224 allow you to share in G-1's best daughters.

Donor Sire: **Hoo Bear**
Donor Dam: **GK Miss Outlaw M-51**

Lot 223A&B - Confirmed, unsexed pregnancies by Heat Wave

Due to calve July 30, 2012 - Available sale day – Recipient is a crossbred cow Tag 797 & Tag 959

Lot 223C – Three embryos by Walks Alone

The way-powerful maternal sister to Stud Monkey and the \$46,500 top seller of the 2011 Sweetheart Sale, we think you'll love this young one as much as we do. We're still waiting on her first ET calves in Hereford but reports are strong from the north and we're not surprised.

This Hoo Bear daughter was a winning show heifer for Matt Reed and Xtreme Cattle, OH, and her very first calf was an exceptional daughter by Juneau that sold for \$6,750. Find this cow in the donor display pens. She stands out with her balanced, powerful, attractive design. She is a modern club calf machine and we have big plans for her future – share it with us!

Donor F-20

EMBRYOS OF BOYSEL/SCC DONOR F-20

Donor Sire: **Alias**
Donor Dam: **GK Miss Outlaw M-51**

Lot 224A – Three embryos by Heat Wave 5

Lot 224B – Three embryos by GCC Cerveza

This is the powerful embryo debut of another great daughter of the \$40,000 Miss Outlaw M-51 and the well-proven G-1 line. This daughter by Alias is the biggest legged, softest flanked, most massive product yet from this line; and that's saying something if you remember her three-quarter sister that our great customer, Raul Martinez, TX, selected from this sale in 2010. F-20 is a strong and versatile THF/PHAF breeding piece that should be a cinch with a long line of bulls. The base width and bone here is phenomenal plus her hair and udder quality is outstanding. Get in early on this one!

Boysel Genetics and Soehnen Cattle Company

The Dam of the 2012 San Antonio Champion!

THE RIGHT TO FLUSH HORN LIVESTOCK DONOR 515

Donor Sire: **Junior**
Donor Dam: **Meatloaf x Cunia x Simmental**

Lot 225 – The Right to Flush Horn Livestock Donor 515

Special Terms of the Flush: Flush is guaranteed to produce a minimum of 8 transferable embryos with no cap. Buyer will pay 50% down sale day with the balance due to the sellers after the flush. Buyer is responsible for all flush and semen expense. Donor 515 is open and may be flushed shortly after the auction.

Horn Livestock and their customers are three-for-three at recent San Antonio Stock Shows – that's three Grand Steers in a row! This first-ever flush option from the dam of their most recent champion offers rare access to the source of their consistent success. Her 2012 winner was by Solid Gold but he's not the first outstanding product from this impressive donor whose dam was bred at Mimms Cattle.

Donor 515 also produced Horn Livestock Chiefton, the very impressive, low birth weight service sire to much of the Horn bred heifer offering plus calves by four different sires that have sold for more than \$10,000 each. Donor 515 offers an old school outcross pedigree that creates bone, muscle, and style without the assistance of TH or PHA genetics. Bulls, heifers, or winning steers...this Horn foundation leader keeps cranking out the kind that draws a crowd and pays for more pipe in Anson.

New Power Players!

Mimms Donor 268M

EMBRYOS OF MIMMS DONOR 268M

Donor Sire: **Proud Leader** (Shorthorn)
Donor Dam: **Shorthorn**

Lot 227A – Three embryos by Red Knight

Lot 227B – Three embryos by Solid Gold 3

So good but so hard to find, Shorthorn cows like this 268M are rare and wonderful. They lead to another rare commodity, Shorthorn steers with the right muscle and the right frame score and a real chance to win. This cow is rising rapidly through the ranks with the consistency and quality in her first embryo crop.

This purebred powerhouse produced six head in her first crop by Heat Wave and Solid Gold. Her four steers generated an average of \$6,088 with a top of \$11,750 on a Solid Gold steer. Her two daughters were outstanding and averaged \$4,850; both were by Solid Gold. Donor 268M is also the dam of a \$30,000 daughter by Woolly Bully that sold in the 2010 Glover Cow Sale.

The color, hair, and quality in her first crop have raised the priority of this donor. She's so massive, moderate, and mobile and she's raising the right kind. These embryos by Solid Gold will produce siblings to her first four calves that averaged \$5,812.50 and this combination with Red Knight should be historic. We'll be hearing more from this cow soon!

PRODUCE OF BEEF DONOR 108T

Donor Sire: **Alias**
Donor Dam: **Meyer 734**

Lot 228A - Confirmed, bull pregnancy by Carpe Diem

Due to calve September 11, 2012 - Available sale day – Recipient is a crossbred cow

Lot 228B - Confirmed, heifer pregnancy by Carpe Diem

Due to calve September 11, 2012 - Available sale day – Recipient is a crossbred cow

Lot 228C - Confirmed, bull pregnancy by Bojo

Due to calve September 11, 2012 - Available sale day – Recipient is a crossbred cow

Lot 228D – Three embryos by Carpe Diem/Bojo/True Grit

Red-baldie power and versatility from the proven Donor 108T! This freaky, hairy THF youngster was the top-selling female of the 2009 Bellar Beautiful Beef Babes Sale and she kicked off her career with a hot heifer calf by Tycoon in her first attempt. She was born for matings like this – and more – as her babies should give you plenty of options at sale time – Simmental, Hereford, Exotic. The calves produced from these embryos should be loud colored with hair, guts, and front ends beyond compare!

Boysel Genetics

Donor 108T

EMBRYOS OF THORNE SCARLET 24

Donor Sire: **Heat Seeker**
Donor Dam/MGS: **The Witch Doctor x Meyer 734**
Tested TH Free

Lot 229A – Three embryos by Walks Alone

Lot 229B – Three embryos by Believe In Me

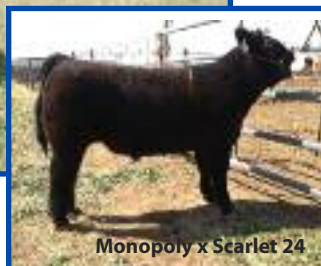

We all need more cows like this one! This gorgeous red/baldy is a favorite of many and you'd better get in now before the price of admission goes up. She's in her sophomore year of her donor career and her first calves are just hitting the sale scene; it's time to stock up on a female that you know will work; she already has.

She was a leader in the Ten Triple X and Glover programs with a string of high-selling prospects like two sons by Milkman and Monopoly that sold for \$17,500 and \$6,000 before she sold as the \$26,000 top-selling female of the memorable 2010 female sale at Glover Cattle Company, OK. She is amazingly TH Free and she has been working very well with Heat Wave and his sons. She is really just getting started but, when they're this good looking, you can never go wrong.

Donor Dam: **Angus 349**

Lot 230A – Three embryos by Stop-N-Think

Lot 230B – Three embryos by Hard Core

Lot 230C – Three embryos by NLC Upgrade

Lot 230D – Three embryos by Beat the Heat

Limited genetics from an all-time industry great! There may not be another cow that combines her degree of power, style and function, and very few can match her production. She was a \$74,000 valued investment and she has backed it up more than once. The dam of a number of standouts including the 029 donor, a \$203,000+ producer that has been a steady feature of past Share the Future Sales and her sister, Donor 300, that was the \$17,000 featured Lot 2 of our 2011 sale, plus the proven Boysel sire 11-22 and many more.

Every time you visit Hereford it's worth it just to stop and see the F-22 donor; she's getting old but she is so good it just makes you smile. Daughters of F-22 have been high-sellers for a number of leading breeders and the 2010 Sweetheart Sale included four daughters by Chunky Monkey that sold for a \$10,250 average plus our 2010 Share the Future Sale featured a powerful daughter by Smart Choice that sold for \$5,300 to Ramiro Munoz, TX. We keep asking F-22 for more and, while she has definitely slowed down, she continues to deliver the kind we all love. Enjoy these giant genetic opportunities from one of the best females we've ever known!

GK/Mimms Donor 029

EMBRYOS OF DONOR 029

Donor Sire: **Full Flush**
Donor Dam: **GK Donor F-22 (Draft Pick x Angus 349)**

Lot 231A – Three embryos by Heat Wave

Lot 231B – Three embryos by Heat Wave

The amazing Full Flush daughter of the Lot 230 donor, grab these while you can. Donor 029 is gone and we should have commissioned a headstone for her. She was a legendary performer and customer favorite with more than \$207,000 in progeny sales and plenty of great success to remember her by. If you saw her then you remember her, no doubt. This was a one-of-a-kind cow and she made them like she looked. Her first two natural calves were sired by Maine Break, with the first one selling for \$9,000, and the second, a popular son that was later named Johnny Cash, selling for \$25,000. A pregnancy sale produced the \$25,000 K-Ranch sire, Double Whammy, and daughters are prized possessions of several breeders. Donor 029 was not for the faint of heart because she delivers extreme style and power yet she blends it with maternal soundness. She was definitely a unique beast!

Donor Sire: **T.J.** (Sim)
 Donor Dam: **Donor 401** (Blue Chip x Cunia x An)

Lot 235A – Three embryos by Doc

Lot 235B – Three embryos by Doctor Who

Lot 235C – Three embryos by Dr. Who

One of the quiet sources of big success that make their home in Hereford, here is the wonderful Donor TJ401. This one is pure feminine power and valuable outcross utility – when was the last time you inspected a female with this pedigree that looked like this one does – or one with this pedigree at all?

Donor TJ401 is a natural daughter of the now-deceased and much-accomplished Donor 401, the full sister to Donor 599 that is featured as Lot 9 here. This donor was a very popular heifer calf and she is delivering as promised with outstanding daughters of her own by Tycoon and Dr. Who. This blend with Doc should be great as well. A little invested here will get you a lot in return. Mark it down.

Legendary Club Calf Genetics...

Real Power from the 602 Line!

Donor P89

Simple Math

EMBRYOS OF GK DONOR P89

Donor Sire: **Who Made Who**
 Donor Dam: **GK Donor H-832** (Meyer 734 x GK Angus 602)

Lot 237A – Three embryos by Solid Gold

Lot 237B – Three embryos by Solid Gold

“The best baldy Who Made Who daughter in North America” is back again and more proven than ever. This power freak is the full sister to the now-proven sire, Simple Math, from the storied H-832 donor at Kroupa Genetics that also produced the Lot 239 donor as well as sires like Amen and Bentley, plus the featured Lot 6 in this event.

Who Made Who x Meyer 734 x the famous 602 Angus cow, this cow is as gorgeous on the inside as she is on the outside and she has generated with power since her first calf sold for \$20,000. Her young full sister fetched \$35,000 at weaning time and won often in the east, and the current P89 crop by Solid Gold is special and shows the versatility of this great female. If you need more proof of the power of the famed 602 Angus family that is again featured prominently in this sale all you need to do is check the sale and donor pens.

MIMMS DONOR D-23

Female

Sire: **Playboy**
 Dam: **GK Angus 602**

Lot 238A – Three embryos by Heat Wave

Lot 238B – Three embryos by Monopoly

Produced from the last embryo ever recovered from the foundation 602 cow – the dam of industry legends like those shown in Lots 2-8 - Donor D-23 is the only Playboy descendant of the 602 family in existence and she is a rare work of art, to say the least. She was a high-seller of our 6th Share the Future Sale and her sisters and brothers are high sellers and top performers whenever they appear.

Smooth, black, and beautiful are just the beginning with this powerful, young female whose first steer by Chunky Monkey sold for \$20,000 in the 2008 Mimms Club Calf Auction. This cow was such a good-looking youngster that Dr. Mimms had to hide her in order to keep her. So it was no surprise that her only daughter – by Cunia 602 - was the top producer whose first calf is a feature of this sale at Lot 8. This cow is built like her famous sisters only with an even longer front and even more muscle; her mating options are unlimited but we love these embryos by original Heat Wave or Monopoly.

If you believe in pedigrees than you cannot ignore this offering. The 602 line breeds on as well as any our business has known and you'll be the only one on your block with one – or more – of these. There will never be another one like D-23!

EMBRYOS OF JJ/MIMMS DONOR 50

Reg. 50% Simmental Cow

Donor Sire: **Meyer 734**

Donor Dam: **Hara's Witchcraft 2100 by Rito 2100**

Lot 241A – Three embryos by Walks Alone

Lot 241B – Three embryos by Solid Gold 2

The best half-blood Simmental descendant of one of the best club calf Angus cows of all time, the 50 donor is a great chance to access the power of the famous Hara's Black Witch family – the same cow that produced Lot 27. Black Witch started it all for Hara Farms, OH, with state champion steers and national champion females, and sisters to Donor 50 include past top-sellers such as the \$25,000 Hara's Blackwitch Meyer 2100 that has been a \$100,000+ performer for Granny Creek Farm, the \$18,000 Hara's Witchcraft II, and the \$18,500 Hara's Witchcraft. This family produces the right kind consistently and Donor 50 has been quietly racking up some accomplishments of her own as a son by Heat Wave was third in Class 8 of the 2010 Ft. Worth Steer Show, a son by Smooth Sailing was Champion Gelbvieh at the Tulsa State Fair Prospect Show and 3rd AOB of the Oklahoma Youth Expo, and a strong pair of daughters sold in our 2011 sale. The good stuff!

Mimms Donor 550

EMBRYOS OF MIMMS DONOR 550

Donor Sire: **Mossy Oak**
Donor Dam: **Sim x Angus**

Lot 242

Lot 242A – Three embryos by Solid Gold 2

Lot 242B – Three embryos by Solid Gold 3

Brand new to this event and fresh off her first embryo crop, this little blaze has surely earned her stripes in the Mimms outfit. Her combination with Solid Gold was remarkably consistent and we plan on doing it again – many times.

This high-powered steer producer just looks like she'll make winning show cattle. She's nearly as wide as she is tall with some enormous, correct legs plus great balance and shape. She used her gifts with Solid Gold to yield her first four steers in Hereford. They each made the Mimms sale where they sold for a \$4,850 average and a range of \$2,800-\$6,000. Her calves are sound and easy-feeding with the right frame score. We think we're on to something here!

Mimms Cattle

Donor Sire: **Stop-N-Think**
Donor Dam: **GK Donor F-22 (Draft Pick x Angus)**

Lot 244

Lot 244A – Three embryos by Lone Wolf

Lot 244B – Three embryos by Walks Alone

We plumbed the depths of South Dakota to find this proven full sister to the \$17,000 Lot 2 feature of our 2011 sale and the sleepy Lot 26 of this auction. Donor 22BF is one of the first calves from our great Donor F-22 and she earned her keep in the former herd at Beitlespacher Club Calves. With full sisters as top sellers for Kris Black, OK, and Frye Cattle, KS, this cow is the dam of the top heifer calf at Beitlespacher's in 2007 plus another daughter that brought \$6,500 to Caldwell Show Cattle, IL. To date, every calf she has produced has sold for a premium and all have been baldies. We're not surprised given her powerful blend of width, balance, muscle, and hair. Power in the blood!

Mimms Cattle
BF/Mimms Donor 22BF will be on display sale day

EMBRYOS OF MIMMS DONOR H624

Donor Sire: **Made Right**
 Donor Dam: **Hereford**

Lot 245

Lot 245A – Three embryos by Red Rock

Lot 245B – Three embryos by Sniper

Lot 245C – Three embryos by Made Right

How about these Hereford gems to make life easier? This young cow has really been working in our program and others. She is the dam of the \$6,750 heifer that James Mitchell, TX, raised from an embryo purchase, as well as the excellent Lot 77 heifer in this offering. This cow is making her calves more moderate in size with more rib and better bone. Now, if we would only keep some of her eggs to put in ourselves!

These are some of the combinations we will be trying this year. Pay close attention to the Made Right embryos; they're linebred to really give this cow a test. We've got faith in her!

Mimms Cattle
Donor H624 will be on display sale day

EMBRYOS OF B-K DONOR 951

Donor Sire: **Money Shot**
 Donor Dam: **Hereford**

Lot 246

Lot 246A – Three embryos by Made Right

The first embryos to be sold from Boysel and Kroupa's intriguing 951 donor. This cow used to live in the Panhandle so you might have seen her. If not, you need to. She's a smaller, hairier, stouter Hereford-maker with great shape and movement. Her first calves are arriving now – full sibs to the embryos selling here – and they're as stout as any "Herefords" we've seen. We'll be showcasing them soon and judging by the early looks of them, you'll want to have these coming soon as well.
