Bred to calve October 18 to Westfall Voyager

Selling one-half interest with the option to double hammer price to acquire full interest

Extreme style and power from the very top of our embryo program, here is the remarkable Lazy H Burn Right T26. This past National Western Reserve Grand Champion is a front-running favorite in our donor battery and for good reason. She is arguably the most popular and exciting daughter of the breed-moving donor, Burn It Up N34L; a bold statement when you consider her sisters include top performers like Lazy H Burn Baby Burn R34 and her \$27,000 sisters; Lazy H Burning Desire S121 and Lazy H Burning Passion U70. This family ranks at the very top of the breed when it comes to producing winning cattle and this powerhouse is just getting started. Already a top earner – more than \$50,000 in embryo sales with excellent customer reports - T26 is a big producer in transplant – her last three attempts averaged 17 good embryos and she works well in IVF as well - and she is ready to deliver shortly after the auction to Westfall Voyager. Young cows like this are hard to find and great to own and there is literally no limit as to what Burn Right will accomplish. Join us – or take her your own way – because Burn Right is ready to break loose!

Lots 2A and 2B are full sisters to Black Star W702, the first calf from T702, that was recently selected as the Supreme Champion Female of the 2011 Illinois State Fair as a cow/calf pair after winning numerous banners like a Tenth Overall selection at the 2010 AJSA Summer Classic and Reserve Champion Winter Heifer of the 2010 National Western Stock Show. This January heifer is the highest-performing calf in the offering with immense body shape and mass. She has great feet and the soft, maternal look we love about her mother.

We've been waiting on this guy to come along; and BOOM, here he is! This intriguing and powerful outcross sire prospect is the natural calf from SS Kate M821, the valuable donor that continues to make her way to the top of the breed. Each year our Kate M821 progeny rank with the very best of their crops – see the multiple-winning and \$26,000 Lazy H Chances Are W7 that we sold a year ago for proof, plus many more – but we've not gotten a bull calf quite like this one. With no sign of Dream On in sight, Confirmed Y11 is one impressive calf. Performance, muscle, mass, and movement are all here and, with the consistency of his great dam, we think this bull has much to offer in terms of breed improvement. His clean profile and unique pedigree complete the picture, and we're excited to explore his potential. He was worth the wait.

Kate The Great rides again with this front-running pair of powerful show and donor prospects! This family ranks at the very top of our program when it comes to consistent leading quality, profit, and purple banners. The full sister to this pair, Lazy H Chances Are W7, was the \$26,000 top-selling bred heifer in our first Game Day; and she delivered a beautiful heifer calf for her new owner, Rust Mountain View Ranch, ND, in her first attempt. Another full sister, Lazy H Last Chance S20, was a Denver division winner before producing a \$9,500 first daughter and the featured Lot 4 in this offering. This February heifer is an even more powerful version of her older sisters at this age and she is strikingly similar in so many ways. This may be our most consistent and valuable cow family!

What an offering we've got in store for you this year! We're pulling out all of the stops to make sure you spend some quality time in Fleming, and here is a very big chance to own a great donor in the very prime of her life. Last Chance S20 has been an exceptional performer for us - her first heifer calf sold as Lot 4 in Game Day 2010 for \$9,500 and later was a winner for Doug Sprague, OH - and we're just getting to the good part as her 2011 crop is exceptional; see Lots 4A and 4B. Selected as the Senior Champion Female of the 2008 National Western, Last Chance S20 is an impressive female in production and this spring she'll deliver a calf that is bred much like the featured Lot 3A in this offering. She flushes well and one look at her daughters is all you'll need. We might regret this one later.

A choice selection from the very top of our young cows, this proven female will bring you back for more. She is our full sister to the famous donor, Drake Summer Sister - the past National Western top seller and the dam of the Triple Crown winner, Westfall Crossfire, and the proven sire of champions, Westfall Voyager. She placed two excellent daughters in our first Game Day sale that sold for a \$3,375 average to Aubrey's Cattle, IN, and Amber Ramage, OH. She is due for another strong one by Built Right and we hate to see her go!

One of two heifers from our first – and unfortunately last – offering from the winning donor, Lazy H Lady U82, this high-class blaze is a fast favorite in the offering. Like her now-deceased dam that was a many-time winner for Austin Henthorn, this heifer has a sharp, powerful hip with a sweet front and ideal balance and movement. The two heifers offered here are the only daughters we'll get from Lady U82.
