# The Green Valley Sale

Atkinson, Nebraska

[www.greenvalleycattle.com](http://www.greenvalleycattle.com)

## Saturday, March 2, 2013 – Noon CST On the ranch near Atkinson, Nebraska

### Sale Day Phones:

Superior Livestock: 800/431-4452

Dennis Garwood: 402/340-4788

Craig Reiter: 419/350-9159

**Pre-Sale Inspection:** The offering and the entire herd is available anytime at the ranch and will be officially on display beginning Friday, March 1. Feel free to stop by anytime you are in the area.

**Absentee Bidding and Selection Services:** If you are unable to attend the sale but would like to add Green Valley Genetics to your program, please feel free to contact Green Valley Cattle or any member of the auction staff prior to the sale. We are happy to offer you a complimentary seedstock selection service based on honest, reliable knowledge of the cattle and our program. Feel free to contact us to discuss the offering and to arrange to have your purchases delivered to you. Please call as far ahead of the auction as possible. Live phone bidding is available with pre-registration and approval at 1-800-431-4452. Details on Page 71.

**In Case of Inclement Weather:** Preview the bulls at the ranch or online ahead of time and bid from home via phone or internet. Video footage of each bull is available at [www.greenvalleycattle.com](http://www.greenvalleycattle.com). Contact Dennis, Craig, or a member of the auction staff for further assistance.

**Bull Housing Option:** The bulls will have a BSE prior to the sale by Dr. Mike Wood of Chambers, NE, and they will be ready to go home with their new owners. If you would like, we will house your bulls at the purchaser's risk at no charge for 10 days and \$1.50/hd/day after that. In early to mid-April we will deliver your bulls to you at no cost within a 200 mile radius of Green Valley. We may ask you to come meet us nearby in order to expedite our delivery to other customers that day. *Purchases must be settled for within 10 days of the auction to qualify for this service.*

**Livestock Transportation:** Receive a \$50/head Discount If You Load-Out Your Bull Sale Day. Hauling services will be available to your ranch or central points throughout the USA and Canada. We will make every attempt to combine loads to reduce hauling expense. Livestock hauled are at the risk and expense of the purchaser and no cattle will be released without payment. Insurance will be available.

**Free Delivery On Bulls Within 200 Miles!**

# The 23rd Annual "Big Picture" Sire Sale

Representing 23 Years Of Our Focus On Efficient Productivity, Maternal Soundness, Uniform Style, Longevity, and Profitability

Multiple Generations of Easy-Calving, Problem-Free, Solid-Black, Polled Cattle...  
Reliable, Dependable Stock From Our Best Female Lines

## DENNIS GARWOOD FAMILY

46974 866 Road • Atkinson, NE 68713  
(402) 925-2970 • (402) 340-4788  
www.greenvalleycattle.com

Dear Cartlemen,

"Our biggest day yet." As we prepare for our 23rd Spring Sale I am encouraged by and extremely thankful for you, our friends and customers. We value your friendship and welcome your input as to how our genetics can better fit your needs. Our program is truly customer driven and with that I owe you a "Special Thanks" for a memorable fall female sale. Please keep us posted as to how the females are working for you.

March 2 will be a special day for our family. After much thought, we made the decision to offer our fall-calving cows on this sale along with some more top-notch spring calving cows. For years we have been in the building/growing mode and mindset and this fall I suddenly realized how many we had accumulated – Wow! In short, we've got too many cattle to best fit our situation and about all the work load we can handle. So, after years of building and improving, it is time now to get our numbers back to a more manageable level. Selling the entire mature fall herd is the most logical solution due to location and numbers and we decided if we're going to sell a few then we might as well sell them all. It's quite a set of cows that have been very good to us; I know they will be to you as well.

**On to the bulls...**Our plans seem to be working well because this is a very exciting group! In particular, this crop of Angus bulls really gets me excited about the future of that division as well as the Maines. The Pilgrim and Setler calves have exceeded our expectations and we hope you agree. The "old stand bys" like Suh and Closing Bell continue to sire the right kind of cattle and our young Maine bulls are really contributing nicely. We will continue to explore the genetics that are working best for us and for you while, as always, staying focused on "Big Picture" perspectives like the balance of performance, phenotype, EPD excellence, and maternal traits.

A supplement sheet will be available at sale time including ADG, scrotal, and DNA information. The Maine bulls will have Igenity DNA information and all Angus bulls have Phizer HD 50K information along with genomic enhanced EPD's including carcass data. We did not have the DNA information at the time of printing this catalog so we will instead post it on our website along with videos of each bull selling by Feb. 20th.

The bulls will again be semen tested and available for load out with a \$50 discount if you choose to take them sale day. It is fine if you choose to leave your bulls with us to feed and deliver at a later date, but please remember that we cannot be responsible for any injury or death which may occur during that time. We encourage you to obtain insurance on your purchases at the clerk's desk sale day. We stand behind our bulls and are anxious to hear how they perform for you. If you have any problems we want to know so that we can solve them.

For the first time we will broadcast our auction live on RFD-TV through Superior Livestock. The details for this may be found on page 71 of this booklet and we are excited about how this service will make it even easier for our customers to purchase cattle here. Please let us know what you think of the change in format.

We will have trucks ready to run to all corners of the country – especially with these heavy-bred cows – so do not be afraid to bid on all your favorites; we hope there are plenty to go around.

On a personal note, our family continues to grow with 3 grandchildren and another on the way. On that subject – "more is better" and we are so thankful. Our "cattle family" however grew a little too much so we've decided to make March 2 our biggest day ever at Green Valley. Along with my great crew, we're working hard to get ready and we would love to have you as our guest at the ranch. I am confident it will be worth your trip.

Good luck calving and thank you for your interest and support. We are truly grateful.  
Dennis Garwood (402) 925-2970 or (402) 340-4788 (C)

Thanks to our great ranch crew!  
Corey, Merlin, and Wayne

*Big Picture Genetics from the flushmate brother to GVC Charity 010Z, the \$39,500 high seller of our 2012 female sale to the Friedly family, CO, this Denver favorite is one of many reasons to join us in Atkinson this spring! He is our version of a "Beef Business Maine" with a no-nonsense design and a chart topping performance spread that ranks him among the most desirable of young AMAA sires. His rugged, massive, sound construction has the signature of a top breeding bull and his young dam is quickly becoming one of the most valuable females on the ranch. He was bred to make a positive impact and he will do exactly that and more!*

Act BW 104 Adj WW 678

**4GHB, 3GHS** – The younger brother to GVC Suh, the all-time top revenue-producing Maine bull in the history of our program and one of the most successful, young sires in the breed today, this bull will make valuable property in so many programs. His dam was the \$16,500 top cow of our 2012 fall sale to Richard Jenkins, VA, and a featured Frozen Gold performer after big hits like Suh and his maternal sister, GVC Hearts Desire 009X, a multiple winner for Kiley Elder, IA, and GVC i-Bull, the featured Lot 1A bull of our 2012 spring sale that sold for \$9,000 to J-D Cattle, NE. Other siblings have been crop toppers as well and this younger bull is very deep ribbed – a 535 hallmark – and muscular with a softer, looser build. He'll make a breeding piece to build around from one of the breed's best families!

 MISS GREEN VALLEY 415P

Act BW 74 Adj WW 701

HS/P – An especially thick yet low BW son of Closing Bell and a favorite of our 2013 Denver lineup, this bull has tremendous potential. His birth-to-weaning performance was as strong as it should be and he is wonderfully complete and correct with extra size and mass. His young dam is a leader as well!

**2GHS, 2GHB** – A special favorite from our 2011 fall crop, this is a seriously-stout half-blood son of GVC Sub from a top older cow that is noted for quality. He offers ideal size and substance with the special look of a difference-making herd sire. His maternal sister was a \$4,000 favorite of our 2012 Female Sale that sold to our good friend, Larry Harrison, OK. Use this bull for extra power and look!

GVC LADY LINER 031

**Act BW 82 Adj. WW/Ratio 823/116**

*A massive beef bull and a young leader in the offering, this is a special sire from the first crop by Pilgrim. He is absolutely as massive and impressive as he can be on the hoof plus his performance profile ranks him among the most compelling of young Angus sires with highlights like Top 4% performance for WW, YW, and \$W plus the #2 weaning ratio in the entire Angus crop. His young dam is two-for-two when it comes to producing top sons and this one is surely deserving of some closer inspection. .*

*A super-thick yet easy-calving son of the 665S cow that has raised top bulls in previous sales. This bull is especially wide topped and big middled and his dam is built the same way and she sells as the featured Lot 228. Check the video and load a stout one here!*

### Important Sale Information:

**Terms:** Terms of sale are cash or good check made payable immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Breeding Information:** Please see the footnotes regarding breeding information for each lot. All bred females will be examined for pregnancy by a qualified DVM prior to the sale and any changes to their breeding status will be made available sale day. Conception dates listed in this booklet are based on the results of said pregnancy examination and/or known breeding dates, and are intended as estimates of calving date only. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's health requirements prior to the sale. **Guarantee:** Those cattle described herein as "checked safe" or "safe" are guaranteed bred and do not carry further guarantee. No guarantee, expressed or implied, is made as to an animal's ability to produce transferable embryos or frozen semen. All registered cattle sell with the standard guarantee endorsed by their respective breed association. All claims on bred females must be made in writing within 60 days of the sale date, and any adjustments made will be in the form of sale credit on future purchases. **Insurance:** Livestock insurance will be available at the clerk's desk through Great American Insurance. **Trucking:** If you require assistance in transporting your purchases, please contact the sale manager. Every effort will be made to minimize costs to the buyer. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

 GVC TOTAL LADY 267M  
 MISS GREEN VALLEY TONTO 9223

Act BW 70 Adj. WW/Ratio 730/110

The sixth leader from our great herd-sire-producing Total Lady 267M, this heavy-duty bull is filled with consistent genetics. He'll be easy-calving and strong-gaining as shown by his performance profile and stout early growth. He was born a twin so his actual BW is a little lower than normal but this line is consistent for lower birth weights as justified by his EPD. He is compact and especially deep ribbed. A maternal brother brought \$4,500 last spring to Clayton Gurney, NE, and his dam sells as Lot 229. Last but certainly not least, this offering is filled with quality you can use!

**3GHB** – A hard-to-sell genetic and phenotypic leader of the entire herd, this former show heifer is the dam of our leading donor, GVC Valerie 701T, the dam of the Lot 2 bulls in this sale and much more. She is a full sister to the dam of GVC Special Delivery 42S and one of the most impressive purebred females we have run. Her fantastic EPD profile is complimented by her great pattern and size blended with exceptional length and udder quality. As a show heifer she was selected as the Reserve Champion Feeder Heifer of the Aksarben and her calves have been consistent favorites with her last son selling for \$4,750 to Mark Steele, KS, in our 2011 spring sale. This combination with HF Prowler has great potential and there will be much more from this special leader!

### Act BW 87

Tested PHAC - PE to GVC Suh and GVC Ike – Est due 4/15

A high-potential, very young Irish Whiskey daughter that we purchased from the OHL/Went Female Sale as a heifer calf, we are selling this cow only because she doesn't fit with our desire to be PHA-Free. She raised a strong first calf and is built like a top performer with a square, thick build and a sweet front end plus top udder quality.

### Act BW 88

Due to calve March 31 to HFM First Impression

**HB/P, HS/P** – *A great producing female with the looks to match! This is the dam of GVC Bradshaw Y62, the \$6,000 son of GVC Sub that Dan Kuhlmann, IA, selected from our 2012 lineup and she has so much more to give. She'll blend nicely with First Impression and many others due to her extreme front end blended with a square, flashy hip and ideal femininity.*

### Act BW ??

Due to calve March 23 to GVC Navigator

**HB/P, HS/P** – The last two sons from this potential PHA carrier have sold for a \$3,500 average in our past two bull sales to great customers like Allen Oseka, NE, and Paul Savage, OK. She is a strong producer with an excellent design and proven premium results!

## HOW TO PARTICIPATE ON THE PHONE OR ONLINE

**CALL 1-800-431-4452 TODAY!**

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. Please note that all of the lots in the sale will also be available for viewing online prior to sale day at [www.superiorlivestock.com](http://www.superiorlivestock.com) and [greenvalleycattle.com](http://greenvalleycattle.com).

## HERE'S HOW IT WORKS

**Turn in Bids Over the Phone.** This is our traditional method of buying livestock and is the suggested process for anyone who does not have high-speed internet. To get started simply call 800/431-4452 or go to [www.superiorlivestock.com](http://www.superiorlivestock.com) and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form, fill it out and fax it to Superior Productions at (817) 378-3380 with your signature on it. Superior will then call you with a buyer's number and phone number that you will use on sale day.

**Turn in Bids Over the Internet through Click-To-Bid.** This is Superior's newest way to buy! **PLEASE NOTE THAT HIGH SPEED INTERNET IS REQUIRED – THIS IS NOT FOR DIAL-UP INTERNET.** Registration is free, but you must become a member of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) to sign up. Becoming a member is easy – just go to the homepage of [www.superiorclicktobid.com](http://www.superiorclicktobid.com) and follow the steps to get started. You will receive an e-mail confirming you are a member. After joining, you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming your buying status.

**Viewing the Auction.** The sale will be broadcast on Dish Network channel 231 and DirecTV channel 345. *Please note that there is a short delay if you are watching the auction on television so call in two lots ahead of the lot you are interested in bidding on.* The sale will also be broadcast live on the internet at [www.superiorclicktobid.com](http://www.superiorclicktobid.com).

*Bidders who are successful in making purchases via satellite or internet will be contacted by the ranch after the sale to settle payment and make shipping arrangements.*
