Sire: **DCC HARD DRIVE 138R**

Dam: **GEF MISS SEDUCTION 88X** (HAA Wisdom x Black Impact)

Polled – BW: 70 – WDA: 3.43

Tested THF/PHAF

A great choice for those in need of an all-around sire in a purebred Maine package, this bull covers all the bases with style! He hits the top of the charts for good looks and he has so much muscle and powerful shape despite his low, low birth weight. He is the first great product of our "402" donor, the maternal sister to GEF Open Bar, and the dam of two our high-selling heifers this fall at \$21,000 and \$9,000. You will not find many Hard Drive sons as good as this one for sale anytime soon and you will be hearing a lot more from his dam very soon!

Polled – BW: 70 – WDA: 3.15

Tested THF/PHAF

Another great son of Miss Seduction 88X, the maternal sister to GEF Open Bar that we refer to as "Donor 402", this bull and his brothers should breed so well in so many outfits. All of these 402 calves have low or moderate birth weights and all have grown very well and all look great like this guy that is really balanced and attractive. Purebred Maines with more body, great hair, and ideal frame scores like this bull and his brothers are hard to find and they make great equipment. Join us in Paris for a special treat in the form of a really impressive set of bulls that you'll be glad you came to see!

Polled – BW: 65 – WDA: 3.26
Tested THF/PHAF

Our 2013 crop from Miss Seduction 88X "Donor 402", might go down as the best we ever produce because literally everything has been really good. It's too early to tell because we are just getting started and so is Donor 402 but this is another strong product of what might be our most valuable cow that also produced our two best heifer calves last spring. This clean Whiskey son has the lowest birth weight of the 402 crop and he may have the neatest profile plus perfect hair and a stylish, chunky, sound shape that is so right for the times.

Polled – BW: 65 – WDA: 3.29
Tested THF/PHAF

The youngest of the "402" crop, this bull might also be the best one! He is double-clean and super low birth weight and he adds mass and power all the time. The rib shape and muscle in this bull is really good and he should be awesome at maturity. If you do not need to cover too many cows too early this spring, you will be very happy with this purchase.

More of the double-clean good stuff from Irish Whiskey and Miss Seduction 88X, our fantastic sister to GEF Open Bar! This smaller-framed bull is super square and balanced with excellent width at the ground. His full sister topped our December online sale to The Farmer Group, OH, at \$9,000, and his maternal sister brought \$21,000 in our November heifer sale and was Reserve Calf Champion in Louisville last fall for the Donnie Paddick family, IL.

The best recipe we've got for getting this annual bull sale rolling is to bring you the best stock we can and that is surely the case with this special herd sire prospect! He has been a standout since birth and it keeps getting better with time and now that he tested TH-Free his future as a premium sire is all but guaranteed. If you need power and good looks with no problems, then this is the bull you've been looking for. He has special shape and a flawless pattern; and he is so good on the move and has grown especially well. He represents a very rare combination in a club calf pedigreed bull with all the bases covered. Enjoy!

A great SimAngus option with so much to give. When was the last time you found a half-blood Simmental with this much real muscle and bone? This guy will make a premium female sire for sure with his leading growth and power that starts at the ground and continues all the way through. He is really big legged and great fronted with the head and neck of a real herd bull plus excellent testicle size and powerful performance. We screened them hard to bring you the best!

We all need more bulls like this embryo Driver son from our 12T donor, the famous redheaded Reserve Champion Female of the 2007 Hoosier Congress and the dam of several favorites for us! This unique bull will make a wise choice for plenty of breeding schemes with his cool, complete, high-performance design. Plus, his attitude is ideal and he is one of the biggest bulls in the crop currently weighing over 1200 lbs. This half-blood Simmental has a straight-ahead structure and great testicle size to go with all the look and muscle you see here.

What a great bull this will be! Produced from a first-calf heifer that was a member of our show string a year ago, this powerful bull will rank with the stoutest and most-masculine of the I-80 sons you have seen, yet he arrived with just a 65 lb birth weight. He should be so handy to have with these tools alone but you'll also love the huge feet, legs, and top this half-blood puts together with an ideal size and impressive growth. Unlike some in the show cattle business, we saved our best male calves rather than cutting them for show prospects in order to get our bull sales going in the right direction. We hope you'll appreciate the results because bulls like this one are great property when it comes to producing premium stock. We love to buy females sired by bulls just like this one whose full sisters were favorites in our 2013 Dream Girls Sale. He is massive and wide based with large testicles, proper movement, and some real meat and performance plus he is double-clean with a 77 lb birth weight.

Maybe the longest bodied bull in the crop and one of the fastest growing as well, this maternal brother to Lot 10A should make a top shelf female sire. His maternal sisters have been consistent favorites of past Dream Girls Sales with three of them averaging \$4,833 this fall. He didn't show himself that well at photo time but we love the frame score and movement on this bull plus he is good headed, double clean, and great in his rib shape from a very proven dam.

ML Miss Jessa 134Z

Female

Calved: Spring 2012

Tag: 134Z

Sire: **JESSE JAMES** (Total Solution x Blazer)

Dam: **HEAT SEEKER X WHO MADE WHO**

**PE 6/10-8/01 to North Country – Est. due 3/30
Tested THF/PHAF**

Another hard-to-find power package that should be great to breed for big premiums, we had to double-check to make sure the TH/PHA tests on this one were right. She is way stout and way wide and filled with the equipment you need like an ideal size, great pattern, and perfect hair. Double clean and built with some real power – get her on your team!

ML Miss Cookie 29Z

Female

Calved: Spring 2012

Tag: 29Z

Sire: **COOKIE MONSTER** (Full Flush x Meyer 734)

Dam: **228 WHITE** (REG ANGUS)

**PE 6/10-8/01 to Direct Whiskey – Est. due 4/25
Tested THF/PHAF**

The profit potential of this one is really serious! Our Cookie Monster daughters are some of our best producers and this one is way better than most because she is so big bellied and so correct. She will breed true to her pedigree with more muscle and more look than you might expect. Trust us, this one will work and she will likely be one of the best values in the set over time.

Calved: 06/07/12

Tag NT

Sire: **REDEMPTION** (Dirty Harry x Taz)

Dam: **HEAT SEEKER X CHAMPION HILL KEYSTONE**

Due to calve late April to North Country

We nearly missed this heifer in the catalog but you shouldn't. She is a classy daughter of Redemption, the powerful son of Dirty Harry whose dam is a sister to Heat Wave. She's long necked and really hairy with excellent muscle shape and volume.

Dam: **WESTERN UNION X ANGUS**

PE 6/10-8/01 to Direct Whiskey –

Est. due 4/05 – Calf Sex: Heifer

Tested THF/PHAF

We've got a lot to love in this first set of Dual Threat females and the good stuff comes with all different sorts of pedigrees. We didn't know what to expect from this one but she has passed the tests and keeps rising to the top with her extra-sharp look and exciting power. She has more hair than a pair of favorites and she might have the biggest top and hip in the whole group plus an awesome front end to match. She's a Heater all right and her first heifer calf will put you on the path to quick profit.
