AMPT[®] is revolutionizing beef cattle mineral nutrition as we know it today. In recent years, advanced research and new technologies have led to the development of greatly improved mineral sources. Yet, until now, never before has a mineral company combined these technologies into one package. AMPT precisely targets optimum nutrient levels, complementing forage, to deliver the best performance — nothing more, nothing less. That's the revolution of precision supplementation. **Join the revolution.**

Important Sale Information

Unless described or announced differently, the following terms will apply to each of the lots selling.

The Right to Flush

All lots described as "The Right to Flush" will carry the following guarantee. In all cases, a minimum of eight (8) transferable embryos is guaranteed to the buyer. In the event of any cow failing to produce the minimum number of embryos (8), the buyer will have the option of flushing the cow again until the minimum, and only the minimum, number of embryos is fulfilled, or the buyer may elect to have their money returned to them based upon a prorated price per embryo as determined by the auction price of the flush. In all cases, the buyer will assume the

expenses associated with the embryo flush. The location and the technician used for the flushing procedure will be the choice of the seller and in most cases will be announced at the sale. Unless stated otherwise, the buyer will have the right to flush the female as soon as she is available. Please see each lot for details on each female's availability. The duration of the agreement will be 12 months from the date of the sale. If the purchaser has not received embryos within this time period, all deposits will be returned in full. If embryos are recovered but the balance of the flush purchase price and flush expenses have not been paid by the purchaser then all deposits will be forfeited and embryos retained by the seller(s).

Terms of the Sale

Terms of the sale are cash or good check made payable to PrimeTIME immediately after the sale and before any livestock or merchandise is exchanged. Except where described differently in this booklet, full payment is expected on sale day. Invoiced accounts are due in full within 10 days of the sale date or may be subject to a 2% finance charge on the tenth day and each tenth day thereafter. Any person bidding on items in this auction agrees to these terms and conditions and understands that, by bidding, they are entering into a binding contract between themselves and the seller(s) and that they will be held financially responsible for their actions. This includes those people representing parties not present at the sale unless approval is received from the sale manager prior to the sale. All bidding disputes will be settled by the auctioneer.

Liability

All persons who attend this sale do so at their own risk. Neither the sale managers, auctioneer, employees, nor the sellers may be held responsible for any accidents that may occur.

Location and Sale Headquarters

The Columbus Crowne Plaza North Hotel's Grand Ball Room - in The Continent off I-71 at SR 161 (E. Dublin-Granville Rd.). Five minutes north of the Ohio Expositions Center, 6500 Doubletree Ave., Columbus, OH 43229. Phone: 614/885-1885.

Room Reservations

Call the Columbus Crowne Plaza North Hotel at 614/885-1885 and ask for the "Frozen Gold Block."

Watch For Special Door
Prizes at the Sale!

Pregnant Recipients

In the case of already realized pregnancies (i.e. embryos that have been implanted and confirmed pregnant) the buyer will pay 100% of the purchase sale day. Each of these recipient females has been examined for pregnancy by a qualified technician and is fully guaranteed to be carrying the mating described with each lot. These cattle will sell without further guarantee. In the case of unrealized pregnancies, the seller will provide the buyer with a pregnant recipient female that is fully guaranteed to be carrying the mating described in its respective lot on or about the time agreed upon by the buyer and seller. Buyer must take delivery of and make full settlement for their pregnancy purchase within 30 days of confirmation of the pregnancy and notification by the seller. All "sexed pregnancies" are fully guaranteed to be carrying the calf sex as determined in this booklet or as selected by the buyer. No guarantee, expressed or implied, is made as to a live calf, calf quality, or recipient value. In all cases, transportation will be the responsibility of the buyer in cooperation with the seller.

Embryo Packages

Unless described or announced differently, all embryos are Grade #1s and are fully guaranteed to consist of their respective mating described herein. Due to the nature of this event and the wide range and geographical locations of the buyers and sellers involved, no guarantee can be made as to conception rate realized when using these embryos. However, if the buyer uses an embryo technician that is agreeable to the seller, and the buyer informs the seller of his intentions prior to implanting the embryos, at least one 90-day pregnancy will be guaranteed per three embryos sold. Many of the embryos will be available for transfer at the auction. However, in all cases, the buyer will be responsible for all shipping arrangements and expense.

Semen

All semen is guaranteed to be of acceptable quality but no guarantee is made as to conception rate. Much of the semen will be available for transfer at the sale. However, in all cases, the buyer will be responsible for all shipping arrangements and expense.

Internet Bidding Procedures:

Live internet bidding is available at www.liveauctions.tv. You may watch the auction and bid on your favorite items in real-time.

Bidders must register prior to 6:00 pm EST, March 14.

Internet Bidding Questions
May Be Directed
to 937/515-1194

Internet bidders are responsible for all published updates/corrections and/or announcements made from the auction stand prior to and during the auction. It is highly recommended that all bidders consult the sale update sheet and sale order and/or contact the owner(s) or sale manager prior to bidding. The sale management and auction staff bear no responsibility for the function of the internet broadcast. The sale management reserves the right to refuse bidding privileges at anytime.

Broadcast live at liveauctions.tv // Updates at frozengold.net

THE WEIGHT GAIN IS REAL.

Go ahead, blink.

A deworming with LONGRANGE® (eprinomectin) can help keep parasites from eating into your profits.

If you used a conventional dewormer like CYDECTIN® (moxidectin), SAFE-GUARD® (fenbendazole) or in combination, your cattle are probably already reinfected with parasites. That's because conventional dewormers only last 14 to 42 days and SAFE-GUARD has no persistent effect. Only LONGRANGE delivers up to 150 days of parasite control in a single treatment.^{1,2}

When you look at the benefits of season-long parasite control with LONGRANGE – you'll see you have a lot to gain.

Use LONGRANGE on your cow/calf operation
— and see the difference for yourself. —

As much as **40 LBS**³

Over calves treated with CYDECTIN + SAFE-GUARD.

¹Results varied between 12 and 40 lbs. for heifers and steers, respectively, over 104 days.

Talk to your veterinarian or visit theLONGRANGElook.com

Available in 500 mL, 250 mL, and 50 mL bottles.
Administer subcutaneously at 1 mL/100 lbs.

Watch for a chance to win a **JOHN DEERE® GATOR®**

Selling full possession and one-half semen interest with the option to double hammer price to acquire full interest

Purchase price includes either full or one-half of current semen inventory depending upon option chosen – Ask for updates at auction time

- A huge opportunity – one of the biggest we've ever offered – to own a bull that is already a proven leader yet just hitting his prime!
- Middle Man is one of the most popular up-and-coming sires in the Maine-Anjou breed today. In limited showings, he was selected as the Grand Champion Bull of the 2014 American Royal and North American International, both the 2015 and 2016 National Western Stock Shows, and, most recently, the 2016 Ft. Worth Stock Show. He wins whenever he shows up.
- In only his first crop and with just limited release, Middle Man sired Kendal Bremer's 2016 National Western Res. Grand Champion Female, plus the top-selling heifers of the 2016 National Western Bright Lights Sale and the 2015 Dakota Style Sale. A son, DJ Conductor C513, was slated to headline the 2016 DeJong Ranch Bull Sale shortly after press time and other sons have been strong sellers already this spring.
- Middle Man is a maternal brother to noted sires like BPF Premium Blend and Slam Dunk, and a sister was the Carlson family's Runner-Up AMAA Show Heifer of the Year. His dam, Lexi 183M, is a BPF foundation female whose progeny are always in strong demand.
- Middle Man is the only Maine-Anjou bull that Bushy Park Farm has retained 100% interest of to this age. He is special.
- With his calving ease profile, dominant and popular show ring record, exceptionally proven pedigree, and wonderful first crop performance, there is no doubt as to the astounding revenue potential of this historic feature.
- Note that the purchase price of this lot includes either one-half or full interest in Middle Man plus his current semen inventory. If the full-interest option is selected the seller will retain 100 straws of semen for in-herd use only.

Selling 100% interest and possession - Open, rested, and ready to work

Purchase price includes 12 embryos by Irish Whiskey (4), Monopoly (4), and Hard Whiskey (4)

- An all-time great and one of the last of her kind, this timeless beauty seems to get better with age and she is still so sound and productive that she is ready to flush herself right into a new address!
- Chill 648N is the most productive, living full sister to the legendary Chill 602G, herself the dam of an incredible legacy of success including sons that won both the National Western and Ft. Worth steer shows - 11 years apart. These are timeless genetics.
- 648N is herself the dam of more than \$185,000 in sales with more than \$50,000 this year alone including \$22,000 in the recent Martin Dual Threat Sale. Sons by Monopoly include the AI sires Ragin Inferno and Hoosier Daddy and other progeny have been strong sellers all along with daughters up to \$12,250 so far and a slew in the \$5,000-8,500 range. She creates bankable premiums each year.
- Posting a lifetime average of \$1010/embryo from frozen embryo sales and never missing a beat in production, the opportunity to own 648N in her entirety is an investment opportunity with very simple arithmetic. She flushes huge conventionally and IVF, she looks great (her video was taken just before catalog time), she adds value to everything, and her embryos sell great as well. She is worth whatever she brings and much more.
- Take this chance to own one of the last and best from one of the best lines our business has known. 648N looks like she is going to live forever and you might as well reap the rewards she has to offer!

Selling 50% Interest with negotiable possession - Sells Open and Flushing

Lot 2A – Three embryos by W/C Bullseye 3046A

Available for pickup or shipping sale night

Lot 2B – Four IVF heifer embryos – One Eyed Jack (2) High Regard (2)

Available for pickup or shipping sale night

- The great Burn Baby Burn R34, a bedrock of Simmental success and now the dam of not less than 112 progeny in the ASA herd book has posted lasting, year-over-year success to rival any. And now, with her unique pedigree and continued excellence she surely deserves her spot as one of the most valuable breeding pieces in the game.
- She is, of course, the dam of FBF1 Combustible who has sired as many recent Simmental champions and high sellers in the breed as any, but he is just one of her great accomplishments.
- 2015 sales from this cow that has posted in excess of \$550,000 in lifetime sales include a \$26,000 daughter by Uprising that was raised by Hilbrand Simmental, MN, from an embryo purchase plus her \$9,250 full sister that was raised by Gateway Genetics, NE, also from a Frozen Gold embryo purchase that also yielded a high-premium full brother that was slated to sell just after catalog time.
- A daughter by Upper Class was recently selected as the Champion Simmental Heifer of the MI Winter Classic for Madeline O'Brien, and previous daughters include back-to-back Grand Champion Simmental Females of the West Virginia State Fair – one was also the Supreme Champion – the 6th Overall Female of the 2013 AJSA National Classic plus multiple state and jackpot winners including several from embryo sales.
- A \$13,500 daughter by Lazy H Pathfinder was one of those winners and her first calf won both the 2012 Jr. and Open Shows at the Nebraska State Fair and was 8th Overall of the 2012 AJSA National Classic. She is one of many R34 daughters now in ET like the \$21,500 Lazy H Burnice Z905 that works for Mertens Cattle, SD, and her high-selling full brother, Lock Tight, that is a powerful sire for Maghes Cattle, OH.
- Sure, she is older than she used to be, but you would never guess it when looking at R34 – she is as immense and powerful as she has always been – and this cow is an absolute monster in embryo production, ask anyone. It will not take long and you'll have a pen full of calves and tank full of embryos that will pay you back for years to come. Burn Baby Burn is truly one of a kind!

LOT 2 IS OFFERED BY THE FARMER GROUP, LTD – PHIL FARMER & FAMILY – PEMBERVILLE, OHIO – 419/806-5939 – TFGCATTLE.COM

Burn Baby Burn R34 may be seen before the auction at Donor Solutions, Rensselaer, IN

**LOT
3**

Selling 100% interest and possession – Due to calve April 30 to SCC HF Lights Out

Lot 3A – Three IVF heifer embryos by SCC First-N-Goal

Available for pickup or shipping sale night

- An Angus Champion that produces champions, here is an exciting opportunity to firm up your foundation by adding a proven profit-maker in her prime!
- Lady Lilo 893 is a former National Junior Angus Show Division Champion that stems from the world famous Champion Hill Lady family and is a daughter of the NAILE ROV Division Champion Female, Dell's Lady Lilo 2030. Her pedigree is steeped in Angus show ring greats.
- Her first daughter was a \$25,000 product of SCC First-N-Goal that was selected as the Reserve Supreme Champion of the 2014 Ohio Expo for the Grimes Family, OH. This same heifer was also selected as the Spring Calf Champion of the 2014 National Western, Grand Champion of the 2014 Ohio Jr. Angus Preview, and a Division Champion at the 2014 MAJAC. The 2014 natural calf from Lilo 893 – a full brother to Grimes' heifer – was selected as the Grand Champion Steer of the 2015 Stark Co. (OH) Born & Raised Show where he competed against crossbreds.
- This beautiful cow flushes well and looks great – she's as wide as they come but still awesome in her chest floor and great on the move. Her photo and video were taken this past fall and she looks even better now as she gets closer to her calving date to the \$100,000 Lights Out. Her moderately sized, monster hipped, long fronted build are ideal for blending with other breeds and she obviously works great for winning purebreds.
- Great purebreds make great property these days and you won't find many as proven as this one for sale, especially while they are young, sound, problem-free, and coming with something special!

LOT 3 IS OFFERED BY PUGH CENTRAL STATION AND STERTZBACH CATTLE COMPANY – LOUISVILLE, OHIO – TODD: 330/353-1001 OR BRUCE: 330/704-5260

She is the record setter due to her no-fail production, and her progeny keep on winning when it matters. Go see her 2016 babies – in 2 locations - for more proof if you need it!
- Now with more than \$500,000 in revenue production, S61 is one of the purebred cornerstones of the Schaffer success because she has literally worked with everything; but these may be her best combinations and you are guaranteed to get the heifer calves you want!
- Recent calf sales include a \$16,000 daughter of Hot Rod plus Penelope's Dream by I-80, both shown here, that sold for \$18,000 and was selected as the Champion Percentage Simmental of the Ohio AGR Preview, Reserve Champion Mainetainer of the KY Beef Expo and the Keystone International. Another winning daughter by Monopoly sold for \$12,000 another by I-80 brought \$15,000, and more calves in 2013 that sold for \$7,500, \$7,000, and \$6,000.
- Another Monopoly daughter sold for \$10,500 plus sons by Heat Wave were consistent winners at the Purdue AGR, Heart of It All Preview, Ohio AGR Preview, the Hoosier Beef Congress, and Overall Champions at the Bill Rodgers Classic and the Huntington Preview.
- A purebred daughter of S61 was Reserve Grand Champion at the Tri-State Classic and 11 calves from S61 sold in the Schaffer & Tice Pasture Sales for a \$6,550 average including two steers at \$8,500 each, a purebred heifer by Affirmed at \$7,500, and another steer by Manchild at \$5,000.
- S61 brought a lot because she gives a lot in return. Grab on to these pre-packaged winners and get ready to Dream Big with S61!

LOT
5

Lot 5A – Three IVF embryos by W/C Executive Order

Available for pickup or shipping sale night

Lot 5B – Three IVF embryos by Yardley Utah Y361

Available for pickup or shipping sale night

- It is the very rare female – especially a purebred – that backs up dominant show ring performances with even greater performance in the pasture. Serena 74Y is doing exactly that with one incredible calf crop after another, and she is setting new limits on what great cows can accomplish with nearly \$1 million in sales in just three crops!
- This incredible cow is a multi-trait leader for everything from growth to good looks to purple banners. She was Claire Trennepohl's AJSA Summer Classic and NAILE Grand Champion of both the Junior and Open Shows plus she was the Supreme Champion of the 2012 Indiana State Jr. Fair and the Reserve Grand Champion Female of the National Western Stock Show as a calf. Now she is producing calves with ever greater potential.
- Her first combination with One Eyed Jack produced an amazing pair of sons – Jacked Up and Jack Around – that brought an amazing \$182,000-valuation in the 2014 Trennepohl Sale, and the 2015 edition of that sale featured a son by All Around that sold one-half interest to Harwood, MI, for a \$56,000 valuation.
- Serena's very first daughter was the Reserve Grand Champion Purebred Female of the 2015 Dixie National for Prospect Cattle, OH, and the first set of fall calves from 74Y averaged over \$29,000 on 4 heifers in the 2015 TF Top 10 Sale.
- The streak continued with the arrival of the first large crop of spring borns from 74Y. The group included a \$56,000-valued son plus an incredible array of daughters that brought \$70,000, \$35,000, \$42,000, and \$13,500 – one of which was recently selected as the Res. Champion Purebred Female of the 2016 Dixie National for Camryn Clapp, IN.
- Serena 74Y was a dominant champion and she is some kind of special bovine in production; totally impressive not only in looks but total performance with a variety of sires. These are her first embryos to ever sell - this blend with Executive Order will produce multi-trait leaders and Utah just sired the \$87,000 top bull at Werning Cattle, SD - so if you're serious about rapid improvement on all fronts, they represent an opportunity you cannot let pass you by!

Broker x 74Y

All available for pickup or shipping sale night

- Produced from a Frozen Gold flush of Bridwell's great NAILE Champion and power-playing donor, Kelly, that was purchased by Shaffer & Alford, IN our ninth sale, this double-clean full sister to Made to Order is quickly becoming a power player on her own.
- Lucy was a top seller of a past Goettemoeller Show Calf Sale and in very short order she is already the dam of elite show cattle like her son by I Believe that was just crowned Grand Champion Steer of the 2016 San Angelo Stock Show, the first black steer to win this crown in ages.
- Her first crop also contained a fall-born, black and white steer by Broker that has been winning often in Texas after selling to Tusa Show Cattle, TX, and she has an incredible summer-born steer by I Believe waiting for an owner at Goettemoeller's now. She looks to be bulletproof.
- She is a full sister to the dam of Made to Order and Getcha Some (he is a full brother to two of the steers mentioned), and her dam is one of the most recognizable names in the business with a string of winning and top-producing progeny to her credit. These are in-demand genetics that work great for banner-gathering steers, heifers, or AI sires.
- This is her embryo sales debut and we are letting you chart the course by selecting your favorites from the embryos shown above. She already has one major champion son to her credit and, from the looks of what is to come, there will surely be more. Double clean and triple good, you need some this!

Lot 7A – Three embryos by GOET I-80

Available for pickup or shipping sale night

Lot 7B – Three embryos by Silviera's Style (sexed female semen)

Available for pickup or shipping sale night

- Study your pedigree here and invest in one of the surest bets in the business! This ACA National Champion Chianina Female is maybe the greatest product of the time-tested 6651 legacy and she is making a home for herself in the ballroom due to her huge success.
- She was a great champion with multiple jackpot wins to go with her national title, and now she is a proven source of winning quality like the \$40,000 daughter by I-80 that she produced in her first crop that has already won at the Keystone International and the Kansas AGR. Other calves from this cow also sold last fall for \$15,000 and \$7,500 – the only three she produced.
- More proof of her power is on the ground now as her 2016 crop includes must-see calves at Schaeffer's and from the embryos we sold to Watson Cattle, OH, in our 14th Frozen Gold Sale.
- Who Dat Lady 2037Z is a full sister to Luke Elder's 2012 North American International Supreme Champion Junior Female and the promotional sire, I Da Man. Other great products with this pedigree include so many that we cannot name them all here but remember that this special lady is a full sister in-blood to "Kelly", the Bridwell family's former NAILE Supreme Champion Female that is now the dam of a long list of hard hitters – see Lot 6.
- This is the blood that delivers major crowns and wins of all kinds. This blend with I-80 is well proven, and consider that Style sired both the Grand & Reserve Heifers at the 2016 Kentucky Expo and these embryos will produce full sisters in-blood to the Vickland family's red-hot heifer that has won big all last season.
- Study up. Dig in. Who Dat Lady 2037Z.

Lot 8A – Three IVF heifer embryos by TR Mr Firewater

Lot 8B – Three IVF heifer embryos by Mr HOC Broker

Lot 8C – Three IVF heifer embryos by Irish Whiskey

All available for pickup or shipping sale night

- Like Madonna, Oprah, and Beyonce – “Chantel” is all you need to say to know everything you need to know here. This amazing creature has earned her one-name status after an incredible show career and an even more incredible production record.
- She was an unbeatable champion in her day when she topped major shows like the American Royal, the Iowa Expo, the Iowa State Fair, and the National Junior Chi Show, and now Chantel has become an unrelenting producer of cutting-edge quality with progeny up to \$96,000 so far.
- The first embryos sold from this beast produced a \$22,000 daughter by Yellow Jacket and the AI sire, Moonshine. They were just the beginning.
- Chantel combined with Interstate to produce the Chamberlin/Goettemoeller/Green Oak donor “Charlie” that brought \$96,000, won often, and recently produced a \$15,500 daughter in her first crop after being a feature of our 14th sale. That daughter has already been a multiple winner for Demi Powers, OH.
- Chantel is the dam of the AI sire, No Limits by Felony, and his high-selling full sisters plus recent winners by Interstate, Firewater, and I-80. The Hagie family, IA, showed a Chantel daughter to multiple wins last season including a last selection as the Res. Champion AOB Heifer of the 2015 NAILE, and the Hayden family is showing another daughter that was just selected as the 4th Overall Heifer of the 2016 Purdue AGR.
- She has the exceptionally rare ability to add immense power to her offspring while still keeping them mobile.
- Consider that from 5 Firewater calves born Chantel has produced two heifers over \$20,000 each and one bull calf over \$10,000. Her 2016 crop by Firewater and Interstate is off to a spectacular start.
- Choose from composite Charolais heifers by Firewater or her first-ever blends with the dominant leaders, Whiskey and Broker. Chantel will go down as one of the best in history and you’ll be very glad you got a piece of here!

Lot 9 – The Right to Flush PZC Dina 08ET

Special Terms of the Flush: The buyer will pay 50% of hammer price sale day. A minimum of eight (6) transferable embryos is guaranteed to the buyer with a 1:1 split between buyer and seller after the 12th embryo produced in the flush. 08ET calved in February and may be flushed shortly after the auction.

- Produced from the very best of the breed and standing now as one of the best Charolais females on four feet, this powerful young donor was produced from a pregnancy purchased in our 13th Frozen Gold Sale.
- Jacob Moore was paying attention that night when we sold this beauty and, with the help of Team Trennepohl, he guided Dina 08 to big wins all year long. Unbeaten in class and winning her division in the open shows at both Louisville and Denver, Dina was selected as the Grand Champion of the National Western Junior Show.
- She is a full sister to breed greats like the Lot 10 National Champion and 6 other National Champions plus breed standard sires like Turton and Rapid Fire.
- Her dam is a gold standard of bovine excellence with remarkable production that now totals in excess of \$1.25 million. Full siblings to Dina 08 have sold in excess of \$50,000 each with three full sisters selling for \$40,000, \$35,000, and \$30,000.
- Own this first flush and go for elite purebreds or consider that her dam combined with Monopoly to produce a former Aksarben Grand Champion Steer and three of his full sisters that sold for more than a \$15,000 average.
- You missed your last chance to own this great one. Don't let it happen again.

Lot 10C – Three IVF embryos by Man Among Boys

Available for pickup or shipping sale night

- One of five National Champion full sisters to the Lot 9 donor, here is your first chance to access the elite goodness of Firefly 1746ET! She is another of the great Firewater x 0641 sisters and history tells us that we should load up on this beauty whenever we get the chance.
- This is the pedigree that paved the tanbark with silver as it has been behind so many recent champions in both Charolais club calf show rings. So many recent champions carry at least a shot of this pedigree that it is not possible to name them all here.
- Her incomparable dam is the source of well over \$1 million in progeny sales and her daughters are set to take her place as they enter full production. Firefly took a little while to get started but when she hits full stride you will be glad you owned a piece of her for sure.
- Choose cutting-edge purebred embryos or go for quick-selling Charolais influenced calves here and note that the Fu Man Chu calves may also be registered with the ACA.

Lot 11C – Three embryos by Man Among Boys

Available for pickup or shipping sale night

- The huge Frozen Gold debut for another Charolais National Champion, Donor L-102 is a smoky powerhouse that is delivering hits on a whole new level!
- This former AIKA Grand Champion Charolais-Composite Heifer is the dam of the \$150,000 Huff N Puff AI sire that was the top seller of the 2014 fall season and is now a popular first-crop sire for Lautner Farms, IA.
- Huff N Puff is by No Surprise – full siblings sell here – but L-102 also delivered the goods in her first embryo crop at Garwood Cattle where her son by Man Among Boys was the \$13,000 top seller of their 2014 fall crop. Full sibs sell here as well.
- Both MAB and No Surprise are sired by Monopoly. See the plan?
- The calves produced from these embryos will come in nearly every color of the rainbow and you can count on them to be among the stoutest and hairiest you've ever had or maybe seen. Huff. Puff. Blow 'em all down!

Lot 12A – Three embryos by Dakota Gold

Available for pickup or shipping sale night

Lot 12B – Three embryos by Made to Order

Available for pickup or shipping sale night

- An incredible first crop from an incredible young female, this red and white beauty is making her embryo sales debut, and you should pay attention before she gets out of sight!
- She was a \$35,000 heifer calf that has developed into an undeniable source of quality after her very first embryo crop produced three calves that sold for the average price of \$23,000.
- Two of her sons by Dakota Gold sold for \$30,000 and \$28,000 to Matt Lautner Cattle, IA, who rechristened them Run for the Roses and American Pharoah. Both bulls were big hits of the 2016 National Western sire display and will undoubtedly be big sellers for MLC this spring; one is THF, the other THC. Full siblings sell here.
- Lady Luck 4Z is the first daughter of Man Among Boys to be featured in the Frozen Gold but, judging from their early production, she won't be the last. She has the quality and the great color you need and this combination with Dakota Gold is as exciting as it gets plus this new blend with Made to Order might be even better yet!

Available for pickup or shipping sale night – NOTE: Embryos produced with 2 straws sexed/1 straw unsexed semen

- Dominant Angus genetics and the kind of foundation anyone can use, here is a huge return engagement with Stockman 898/8406. Choose from a great flush option or embryos by the sires of nearly every Angus – and many composite – Champion in recent memory and get the heifer calves you need!
- This cow, and her amazing mates, have perfected the art of producing major premiums and major banners in multiple breeds; it's quite possible that no tribe does it better.
- Developed in the winning program at Sullivan Farms, IA, this cow and her cloned mates have produced an amazing string of success in pure and crossbred circles. For 7 of the last 8 years, the 898 tribe has produced heifers that have won AT LEAST TWO major shows per year including the National Western, North American International, and National Junior Heifer Show. Wow!
- This rare gem recently produced a \$23,000 daughter by SAV Brilliance, and many of the 898 family winners were sired by DF Vegas.
- When it comes to producing foundation purebreds or winning half-blood females of any breed it is doubtful that you can select a better starting point.
- The Hara Farms crew knows a thing or two about great Angus cows and you had better take note when they invest in a new donor to lead their banner-generating outfit. The work is done here. Enjoy.

- The most dominant Angus show female of her time has become a phenomenal producer and she is finally ready for her Frozen Gold debut with this offering of high-flying genetics that are sure to continue her amazing success!
- Nellie 6005 "Bones" is another great product of the Champion Hill Lady tribe - see also Lot 4 in this offering - and she was a nearly unbeatable champion in her day when she put together a string of major wins that has hardly been matched.
- The Grand Champion Owned Female of the National Junior Angus Show, the American Royal, the North American International ROV Show, and the Reserve Grand Champion of the National Western Stock Show - this female is one of very few in history that can claim those titles.
- She has been a stubborn producer but the limited results have been exceptional. She is the dam of two daughters that have both been Division Champions of the National Western with one never being beaten in her division, plus a high-performance son, Highland Prime Time, was leased to Accelerate Genetics before his untimely death.
- Choose from female embryos by First Rate, the sire of the legendary First Class and the 2016 Iowa Expo Supreme Female, some of the first by the \$100,000 Lights Out, or embryos by First-N-Goal, sire of a big share of recent Angus winners.
- Patience is a virtue and it's been trying while waiting for this girl to be ready but we are sure it will be worth the wait when you put "Bones" to work for you!

Lot 16A – Three embryos by Silviera's Style (sexed female semen)

Available for pickup or shipping sale night

Lot 16B – Three embryos by Irish Whiskey

Available for pickup or shipping sale night

- Duff Lady 031, the \$45,000 high seller of the 2013 Duff Power+ Female Sale, is surely one of the stoutest and coolest Angus beasts that has roamed these parts and now she is delivering in kind! If you have not gone to see her yet, you really need to.
- The very first crop in Ohio from this killer whale produced the \$9,500 Irish Whiskey heifer shown here - she was a real steal - and the 2014 natural calf from Lady 031 is a look-alike matron that is going to be a wonderful producer herself.
- The Frozen Gold has been the launching point for several unique Angus females like this one over the years - remember Dixie Erica 001 and all of her descendants? - and history tells us how well it pays to get in early. In fact, several great - and lasting - success stories have started just like this.
- Choose your direction with either Maine or Angus genetics - or both - and get these in as soon as you can because there is so much more to be written from this massive, maternal machine. Style should work great on her and Whiskey is already proven!

LOT
17

Lot 17A – Three embryos by JDH Cracker Jack

Available for pickup or shipping sale night

Lot 17B – Three embryos by UPS Sensation 2296

Available for pickup or shipping sale night

- Fresh from an incredible ride on the tanbark, Romalee 4054 is one of the most accomplished show females to hit the scene in recent years. Shown by Lauren May, WI, she started the 2015 show season as a Reserve Division winner at the Junior National Show and capped a great summer as the Supreme Champion Female of the 2015 Wisconsin State Fair.
- Next was a magical trip to Kansas City where Romalee 4054 was selected as the Champion Hereford and Supreme Champion Female of the American Royal Junior Show. She is the only Hereford female in history to accomplish this.
- The capstone of her amazing campaign came at the North American International where she was not only the Grand Champion Female of the Junior show but Romalee 4054 was also selected as the National Champion Hereford Female in the NAILE Open Show.
- Romalee has already created quite a surge of activity within the AHA and her cow family is generating exceptional popularity and revenue. Her dam and genetics were the \$104,500 high-selling lot of the 2015 Express Ranches Hereford Sale where her dam sold for \$54,000, a sister sold for \$25,000, and three heifer pregnancies from her dam yielded \$25,500.
- These are the first embryos ever sold from Romalee and they look to be exceptional. Sensation 2296 is the sire of the Reserve Champion Horned Female at Denver in 2016 where he also sired the \$50,000 top-selling bull, and her blend with Cracker Jack stacks blue chip cow families and major success.
- History tells us that when these "Multiple Supreme Females" – regardless of breed – get rolling, there is no stopping what they can accomplish – see HF Serena 74Y, JSUL Dreams Come True "Kelly", and more. Take this chance to get in early and ride the wave from one of the most popular females in breed history!

Special Terms of the Flush: The buyer will pay 50% of hammer price sale day. A minimum of eight (6) transferable embryos is guaranteed to the buyer with a 1:1 split between buyer and seller after the 10th embryo produced in the flush. B115 may be flushed in May 2016.

- It's hard to beat a beautiful baldy female, and many tried and many failed to beat this one when the Reiboldt family showed her to one of the best winning streaks in the country this past season. She will be right at home in the ballroom among industry greats and her first flush option is a feature among features in our 15th offering.
- Ima Joy B115 is the reigning Grand Champion Simmental Female of the Indiana State Fair where she was selected as the Third Female Overall Breeds in the always-tough junior show. After that, she went on a tear that few can match when she was also selected as the Reserve Champion Female of the American Royal Junior Show and Reserve Grand Champion of the Open Simmental Show at the 2016 National Western Stock Show.
- She is one of the great Combustible daughters that we mentioned in Lot 3, and she stood toe-to-toe with the best in the breed and conquered nearly all of them. Her great structure and wonderful balance set her apart from the rest, and she offers a unique genetic blend that should lead to big dividends as she enters production.
- She stems from the famous Promise family that has been behind a string of difference-making cattle and her dam is a cornerstone donor for Harker Farms, IN, where she has produced 41 progeny to date.
- Ima Joy B115 has enough look and power to work for club calves and her potential for valuable purebred cattle is obvious. Get in on the ground floor of this rising star!

Available for pickup or shipping sale night

- We warned you about this cow's abilities when she made her debut in our 8th Frozen Gold lineup and Nina T3354 has certainly delivered! Her outcross pedigree and great total quality are really shining through and she's back again with a well-proven combination and a new one with huge potential.
- She made her debut following her winning turn in the ring – she was selected as the Grand Champion Percentage Female of the 2008 AJSA Summer Classic – and she struck gold right away with the birth of "Steel Wheels" by Steel Force that now works for Matt Lautner Cattle, IA. Since then, she has continued her winning ways with each bull she has been matched with.
- A full sister to Steel Wheels was a \$20,000 top seller for Joe Seale and Foster Bros. Farms, TX, and was selected as the Grand Champion Simmental Female of the 2013 Dixie National, and another full sister was the \$10,000 result of an embryo purchase by Circle M Farms, TX.
- A daughter by Pilgrim – shown here – was a \$20,000 high seller for Raymond Gonnet, KS, this fall and a son by Dream On sold for \$6,000 in the Iowa Expo Simmental Sale.
- Nina is a big bodied, smooth mover that delivers big premiums and purple banner results. These are her last embryos by the deceased and in-demand Pilgrim, and this is her first combination with the \$160,000 WS Revival.

THE GREAT EMERALD LADY 138M.

Still Creating Success - Year after Year.

Produce of The Emerald Lady 138M

Reg. 50% American Simmental Female

Donor Sire: **Meyer 734**

Donor Dam: **Angus 9053**

Tested THF/PHAF/AMF/NHF

Lot 20A – Confirmed, heifer pregnancy by Mr HOC Broker

Due to calve April 22, 2016

Recipient is a young, black, crossbred cow available for immediate delivery

Lot 20B – Three IVF heifer embryos by Who Da Man

Lot 20C – Three IVF heifer embryos by DeJa Vu

Lot 20D – Three IVF heifer embryos by Banshee

All available for pickup or shipping sale night

- No Frozen Gold offering is complete without the great Emerald Lady 138M, the all-time, top-selling full interest cow in the history of this event and one of the top-grossing cows in the show cattle world. Well, she is back again and still cranking out the hits that keep her customers coming back for more.

- 138M is the dam of an unmatched string of success that will live forever. Sons include the 2013 American Royal Grand Champion Steer and AI sires by Who Da Man and DCC New Look. Daughters include an Ohio Expo Supreme Champion, Ft. Worth Champions, Ohio State Fair Champions – more than once – and big league donors like Beauty W2W (featured here as Lot 21) and a slew of big producers across the country, several of which are really striking gold like her I-80 daughter that topped the 2015 Holiday Classic Sale!

- 138M has blended well with everything we could think of - and some we didn't - and she just keeps cranking out the good stuff. It never gets old, so you can invest with confidence that these new and proven options will deliver the kind of satisfaction you deserve. Her daughters are her greatest gifts and this offering features 100% heifer calves!

- How can you go wrong with The Emerald Lady? You can't. Just ask her recent buyers. They know. Now you just need a piece of the action and this lineup of future 138M daughters could not be better!

BEAUTY W2W...

Proven 138M Blood. Her Ballroom Debut.

2015 Progeny of W2W

Embryos of Bainridge Beauty W2W

Donor Sire: **Dr. Who**
Donor Dam: **The Emerald Lady 138M** (Meyer 734 x AN)

Lot 21A – Three embryos by Monopoly or MAB

Lot 21B – Three embryos by Monopoly or MAB

Lot 21C – Three embryos by General Lee or Fu Man Chu

All available for pickup or shipping sale night

- After an incredible first embryo crop that produced as many or more banner-winning calves than any donor female in this offering, Beauty W2W is more than ready for her Frozen Gold debut and these potent embryo packages will give you access to her best recipes for success.
- W2W is the \$28,000 daughter of the famous Lot 20 donor in this offering and she was the top selling female of the 2013 Holiday Classic Sale. She more than lived up to her top billing with an awesome array of show calves by Monopoly and MAB that won early and often for several families. A daughter by Monopoly was selected as the Grand Champion of the 2015 Ohio Feeder Calf Round Up and her full brother has been a strong winner on the Ohio's BEST Circuit for Bryce Vernon, plus the W2W progeny popped up as winners at a long list of summer jackpots.
- Her 2015 daughters by these combinations averaged \$5,900 and a natural daughter by Jesse James brought \$8,000 in the 2015 Holiday Classic plus previous calves by Monopoly include two steers at \$7,500 each and a bull at \$5,200.
- W2W is a 100% premium performer with a great set of fall calves on the ground now and more spring babies arriving by auction time. Her calves are colorful and crazy hairy and their structure has been so good regardless of the sire chosen. They are carrying the torch of this great, winning family!

Lot 22B – Three IVF heifer embryos by Maternal Made

Available for pickup or shipping sale night

Lot 22C – Three IVF heifer embryos by Maternal Made or Pilgrim

Available for pickup or shipping sale night

- With real greatness and maternal quality that never goes out of style, Money Honey 4000 is back for a long-awaited turn in the ballroom and these heifer calf combinations could not be more right for the times!
- She was a \$40,000 record setter as a heifer calf in the former Exposure Sale, and her initial offering in the Frozen Gold set a new record for per-embryo price when she made her debut. Since then, this impeccable beauty has delivered big hits for a variety of breeders with daughters up to \$21,000 so far and several in the "strong premium" department.
- She looks as good as ever with her beautiful lines, faultless balance, proper size, and that amazing front end that always made her special. These combinations with the now \$600,000 Maternal Made and the priceless Pilgrim are spot-on with her and these embryos will get you the heifer calves you crave.
- Meyer 734 was one of the most impactful sires of our time and his greatest daughters have stood the test of time with wonderful, year-over-year excellence with an immense variety of sires. Money Honey 4000 is one of his all-time best and, like The Emerald Lady 138M (Lot 20), you can never get enough of cows like this!

Walks Alone x Pepper

- If ain't broke don't fix it...try to own it!
- Miss My Pick T4172 "Pepper" has found her calling with Walks Alone and it could not be better. Year after year and time after time this combination delivers the premium quality and consistency we all crave.
- The first calf from this blend was a \$9,000 heifer that sold to Gary Price, NC, in 2012. The next year, Pepper delivered a \$10,000 Walks Alone steer that sold to Dunk Cattle, NE, for resale.
- In 2014, Pepper and Walks struck again with the \$7,400 heifer that now works for Doug Stork, MI. She was a real beast and we will no doubt be hearing from her before long.
- The 2015 product of this combination was a \$23,000 steer sold by Rodgers Cattle, IA, that has been doing great for the Martin Family, IN, including a Fourth Overall selection at the 2015 Heart of It All Preview.
- Pepper found her perfect mate in Walks Alone; and just in time, as she headed to the big creep feeder in the sky this winter. These are some of her very last embryos and we know they'll deliver the kind you can sell, show, or keep and win either way. Get them while you can!

Available for pickup or shipping sale night

Lot 24C – Three IVF heifer embryos by Maternal Made
Available for pickup or shipping sale night

- Scorching combinations from a real rising star! This super freak is one of the very few daughters of Miley 80T that the Goettemoeller's let get away and she reads as good as she looks plus she is amazingly TH and PHA Free.
- Her full brother is on a hot streak – see Lot 6 – with more to come soon and that will only fan the flame on this young leader that is really just getting started.
- Her dam is one of the most valuable Maine cows in the game and her famous brothers include young legends like I Believe, I-80, and Maine Man. Her older maternal sisters include the young Goettemoeller donors, Hottie and Dottie, plus the \$37,000-valued top-selling cow of the 2014 Winners' Circle Sale and many more.
- This is the blood you can trust. Remember what her mother did with Broker? These could be even better.
- We sold her first embryo flush in our 13th Frozen Gold and Green Oak literally can't keep these embryos on ice; they move too fast. Built like she is and bred like she is, you've got to believe in this one. Especially with these high-powered options to dominant leaders like Broker and the now \$600,000 Maternal Made or the limited and proven Made to Order – sire of both of the top steers at Goettemoeller's this fall!

Available for pickup or shipping sale night

Lot 25B – Three embryos by Monopoly

Available for pickup or shipping sale night

Lot 25C – Three embryos by Jack Around or Silviera's Style

Available for pickup or shipping sale night

- When you're hot you're hot, and Miss Lamborgini 5S has earned her place as one of the hottest donor females on the market today with impeccable consistency and annual performance that ranks her with the very best in the game. She was the source of our top-selling embryos in 2014 and she just keeps cranking out the hits.
- A son by Monopoly was a \$45,000 top seller – her highest yet - of the fall season for Brandon Jones, IL, and his full sister was the Gilbert family's great "Mercy" heifer that was the Supreme Champion Female of the 2014 Ohio Expo and Reserve Champion MaineTainer of the 2014 American Royal Junior Show. That heifer's first flush sold for \$15,000 in our 14th Frozen Gold Sale.
- Another daughter by Monopoly was Champion MaineTainer (ORB) Female of the 2013 Houston Livestock Show for Travis Goodrom, and her first Heat Wave calves were big hitters this past fall as well. The consistent performance of this cow that also produced the Grand Champion Steer of the Iowa Governor's Show is sensational.
- "Lambo" is also the dam of the powerful AI sire, Armada, and in total, the 2013 crop from this cow included 4 calves - two male calves and two females - that sold for the astonishing average of \$34,750 each.
- This Lamborgini can really run, and the embryos selling here will produce full siblings to her best plus give you the option to create something new from this proven base. 5S is dual-registered as both a Maine and Simmental so she creates even greater options come sale or show time.
- Old school blood. New age look. Timeless success. She keeps getting better!

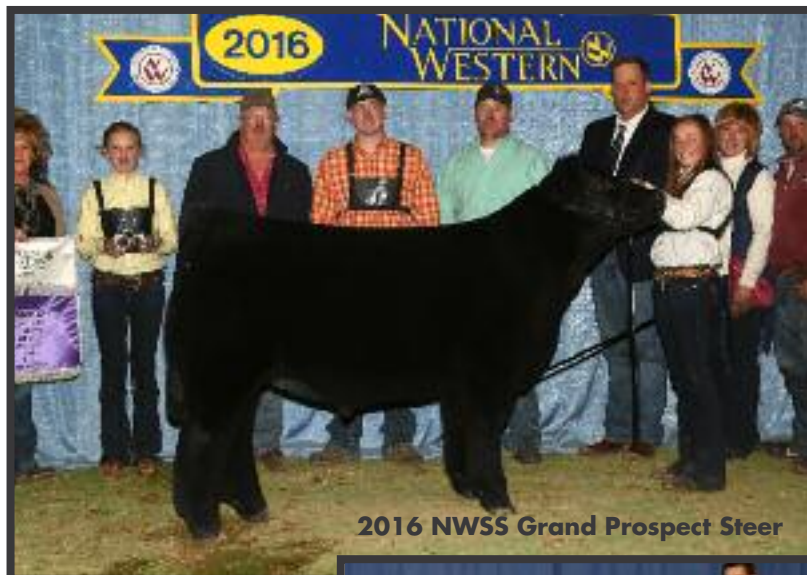

LOT 25 IS OFFERED BY GRAY SHOW CATTLE, ZACH GRAY – DANFORTH, ILLINOIS – 815/545-1498 AND DOUBLE R FARMS, DEREK RAPP – SUBLETTE, ILLINOIS – 815/712-4327

Lot 26A – Three IVF MALE embryos by Man Among Boys

Lot 26B – Three IVF MALE embryos by Roger That

All available for pickup or shipping sale night

- When you start your career with a set of 5 steer calves that sell for an average of \$22,000 each it's hard to go anywhere but down...except when you are as great as the Faber family's wonderful "Maximus" donor. She might be new to the Frozen Gold ballroom but we'll bet her sons have been some of your favorites over the years.
- "Maximus" was destined for greatness when she was a multiple-winning show heifer for Tyler Faber and she has developed into one of the most dynamic donors in the game now with elite annual results from a variety of sires.
- Her latest success came in the form of Ashtin Guyer's high-powered Man Among Boys son that was a top seller of the 2015 Faber crop and has gone to win several times already this season including a selection as the Grand Champion Prospect Steer of the 2016 National Western Stock Show.
- With wonderful consistency and exceptional results like sons at \$49,500, \$44,000, \$32,500, \$31,000, \$26,000, \$24,000, \$18,750, and more – this cow is a commodity to bank and these embryos are sure-fire hits. Her calves win often and these SEXED MALE embryos will create full brothers to her son that is winning now plus give you the option of something new with Roger That.
- It's hard to tell where this great cow will go from here, but we know that we're giving you the keys to a very powerful machine with this big feature that will surely bring you back for more!

Lot 27C – Three embryos by TR Mr Firewater

Available for pickup or shipping sale night

- Your first chance to access one of the power players in the elite lineup at Crystal Creek Farm, Miss Lights Out 72Z is a smokey sweetheart that is off to a running start and her Frozen Gold debut is stacked with the good stuff!
- You will remember her as the Gilbert family's multiple-winning show heifer that hung plenty of banners including a selection as the Champion Chi and Fourth Overall Breeding Heifer of the 2013 Ohio State Fair.
- She promptly delivered a first heifer calf by Northern Improvement that sold for \$12,000 and showed well, but Miss Lights Out 72Z was just getting warmed up.
- Her second trip to the calving barn produced a beautiful silver heifer by TR Mr Firewater – six full sibs sell here – that topped the first Crystal Creek online sale at \$22,500. This heifer was later selected as the Champion Bred & Owned AOB Heifer of the 2015 NAILE Junior Show and recently as the Reserve Champion Composite-Charolais Heifer of the 2016 Iowa Expo for the Junk Family.
- Choose from full sibs to her second winning heifer in two attempts or go for rare genetics with Interstate. Either way, you'll get quick-selling silvers and smokies from this young leader that is a 100% premium performer and just getting started!

Lot 28A – Three embryos by Mr HOC Broker

Available for pickup or shipping sale night

Lot 28B – Three IVF heifer embryos by EXAR Classen

Available for pickup or shipping sale night

- The incomparable Cinderella S031 was one of the great all-time earners in Frozen Gold history recording some of the highest prices paid for confirmed pregnancies and embryos – not to mention extreme-selling progeny - before her untimely death over the summer. She was a great one and she will be missed, but her oldest daughters are just hitting their strides in production and our 15h sale is proud to host the embryo sales debut for Cinderella 606Z, one of the biggest winners that Cinderella S031 ever produced.
- Cinderella 606Z was a big-time threat in the hands of Lauren Grimes, OH, when she was selected as a many-time Breed Champion – including titles at the Ohio and Kentucky Expos – and the Third Overall Female of the 2013 KY Expo. She has developed into a very impressive individual in production with a proper frame score, massive body shape, and the perfect blend of feminine power that made her mother so great.
- 606Z is a full sister to several favorite Cinderella daughters including the recent \$64,000-valued Lot 1 heifer of the 2015 Martin Dream Girls Sale plus the \$90,000-valued top seller of the 2012 Jones High Standards Sale that went on to be a multiple winner for the Matt Reed family, OH, including wins at the Ohio State Fair and NAILE Junior Show. Another full sister is a \$16,000 donor for Xtreme/Burt, OH, and recently produced the Champion MaineTainer Bull Calf of the 2015 NAILE in her first attempt.
- Cinderella S031 was a ballroom favorite over the years due to her fantastic quality and performance. Early results from her young daughters look to be nearly as promising, and a pair of Cinderella sons have proven themselves to be stout contributors themselves. These genetics breed on and they add value to everything they produce.
- Take advantage of this ground floor opportunity to own a piece of a great Cinderella daughter on the rise. This blend with Broker should make for some very valuable purebred cattle – note that calves from this combination will have an API value of 109.2 – and these heifer embryos by the great First Class son, Classen, speak for themselves.
- The Queen is dead. It's time for her daughters to rule!

Lot 29 - IVF Cycle of W/C RJ 8543 4016B

Special Terms of the IVF Flush: The buyer will pay 50% of hammer price sale day and may choose any bull or bulls for the IVF cycle. A minimum of eight (6) transferable embryos is guaranteed to the buyer with a 1:1 split between buyer and seller after the 10th embryo produced in the flush. 4016B may be flushed in early April 2016.

- Smoldering hot genetics from Werning's great 8543 donor and the legendary Lock N Load, here is your exclusive chance to access the exciting power of the newest Ferguson donor and the 2016 Werning top-selling female, W/C RJ 8543 4016B. In fact, you'll get a chance to try her even before her new owner does!
- The young donor here is a full sister to a string of Werning difference-makers like the \$160,000 W/C Bullseye 3046A, and the 2014 National Champion Purebred Female, W/C Angel 2870Z. John Ferguson said, "As soon as I saw her there with that beautiful baldy heifer calf and that perfect udder I knew I had to own her".
- Now with more than \$1.8 million in progeny sales, 8543 is a true bedrock of the breed and one of the most important Simmental females of our time. Her sons include Bullseye, the \$71,000 Executive Order, his \$87,500 brother by Utah that topped the 2016 Werning Bull Sale, and the \$55,000 Bulletproof to name a few. Nearly all of these sires are featured in this offering.
- Daughters of 8543 are some of the most valued commodities in any breed, and previous sisters to 4016B include both the Grand and Reserve Champion Females of the American Royal and National Western in the same year. 8543 also blended with Heat Wave to produce a Grand Champion Steer of the South Dakota State Fair. What a cow!
- 4016B is a perfect first calver; she's just gorgeous! Her balance and structure cannot be better and her first heifer calf is a real knockout. Judging by the incredible productivity of her dam and the great starts that her sisters are having, this first IVF cycle is an opportunity that any breeder needs to grab. Big things are coming with this one!

Lot 30B – Three IVF heifer embryos by SVF-NJC Built Right

Available for pickup or shipping sale night

- One of the most decorated and important SimAngus females in breed history, Queens Valentine R9 makes her overdue Frozen Gold debut with two great chances to get her power working for you.
- Valentine R9 is a 2x National Western Champion Female and once a Grand Champion SimAngus Female of the North American International. She is one of the very few – maybe the only – female in history to accomplish this feat, but it gets way better than her show ring success alone.
- The very first daughter to sell from Valentine R9, RP/MP Right to Love 015U by Built Right, was selected as the 2009 National Champion Female at the American Royal Show. Right to Love 015U has become a cornerstone performer in the elite cow herd at Hudson Pines Farm, NY, producing a long list of top cattle for them. Recent sons of Right to Love include THSF Lover Boy and HPF Quantum Leap, both multiple major champions.
- Valentine R9 and Built Right are a match made in heaven. They combined again to produce the North American Simmental Sale top seller, RP/MP Ms Valentine 013U, that now works for Circle M Farms, TX. The inaugural Circle M Production Sale featured a trio of Valentine females.
- Still more leading Simmental cattle feature Valentine R9 in their pedigrees – see the 2016 National Western Grand Champion Bull that is a full brother to Quantum Leap – and several more future champions are in the pipeline now. Take this chance to own her most successful combination with these sexed heifer embryos, or grab on to this chance to produce your own embryos by the sire of your choosing.
- This Valentine will never break your heart!

Lot 31B – Three embryos by W/C Executive Order

Available for pickup or shipping sale night

- Our Simmental options are plentiful and powerful in our 15th lineup but maybe none of them can rival the lasting, versatile success of Lady 865U, a breed matron that has worked with wonders with a wide variety of sires over her amazing career.
- This powerhouse was behind so much of the successes at Janssen Farms, IA, over the years with a slew of high selling sons and daughters to her credit, and those cattle have gone to make magic for many other producers as well.
- Lady 865U is the dam of the \$30,000 B&L Southern Charm that was produced from an embryo purchase and was a big winner for Landon Hall, KY, before selling one-half interest to Keith Lambright, IN. She was lost in an unfortunate accident just after entering production.
- Another daughter by NLC Upgrade was a \$42,500 top seller of her crop with other daughters plus a daughter by JF New Trend was a \$17,000 feature that now works for Hudson Pines Farm, NY. Another daughter JF New Trend was a \$10,000 selection by Brent Hall, and sons like JF Domination 1014Y and JF Performer 039X have been top sellers in their crops.
- These red-hot packages give you some of your first chances to access future leaders with the power of a proven breed leader to ensure your success. Choose from female embryos by the 2014 NAILE top seller and Grand Champion, Blaze of Glory, or go with a set by Executive Order, the brother to our Lot 29 donor and the top seller of the 2015 Werning Sale that is a true performance leader in the breed.

- *Winnie. The one that started the I-80 craze. The one that is taking the Goettemoeller program to new heights. She is making her embryo sales debut and you need to be ready. If she keeps performing like she has already then this is sure to be one of your only chances.*
- *This great cow is a product of the first calf crop by I-80 and she was a nearly unbeatable force on the Chamberlin show team in 2012-13. She won them all right out of the gate and it was only a matter of time before her real impact was felt.*
- *She delivered the goods in her very first attempt with the arrival of Win Dixie, the multiple champion whose first embryos sell here as Lot 33, and her \$30,000 full brother, X-Rated, that was a big feature of our 14th sale.*
- *Winnie did it again with the arrival of her second crop when she produced all of the top sellers in the 2015 GSC crop. Two sons by Set Me Free topped the steer side and they have been winning already – Grand at the MI Winter Classic, Reserve at the Scarlet & Gray, 3rd Overall at the Kansas AGR – and a daughter by X was the \$50,000 top seller of the heifer sale to Wisniewski and Gensini, IL. That heifer, a full sister to Win Dixie and X-Rated, won the calf divisions in the junior and open shows in Kansas City and Louisville. There will be more.*
- *Remember that the dam of Winnie 4W was a big winner for the Streitmatter family, IN, and a Frozen Gold donor whose embryos were featured in our 2012 sale before producing the AI sire, Twerkit, and his \$80,000-valued full sister for Green Oak Farm, OH.*
- *These embryos blend the best of the Maine-Anjou breed and they were hard to come by. With X-Rated calves on the way and a new crop of Winnie babies on the ground plus those winning now you'd better make sure you own these.*

Lot 33B – Three embryos by Here I Am or Fu Man Chu

Available by June 15, 2016 or earlier

- The first daughter of the incredible Lot 32 donor and one of the hottest show heifers of the 2015 season, the Goettemoeller Team is letting you in early on this rising star. History tells us it's time to get in.
- This new mommy was the most decorated Maine-Anjou show heifer of the 2014-2015 season when she won the Calf Divisions in the junior and open shows at the American Royal and the North American International. She went to be Grand Champion of the 2015 American Royal Open Show and Reserve Champion of the Junior Show before she was Grand Champion of the NAILE Junior Maine-Anjou Show and Reserve Champion of the Open Show.
- Win Dixie is the full sister to X-Rated, the \$30,000 top bull of our 14th Frozen Gold to Dickson/Schiffer/Gabriel, and to CHAM Miss Daisy 1C, one of the best show heifers in the country now. Like her full sister, Miss Daisy has already been selected as the Calf Champion Female of both the junior and open shows at both the American Royal and the North American International.
- She is a maternal sister to the two top-selling steers of the 2015 Goettemoeller crop that are out and winning now for Boerson, MI, and Vickland, CO, and her dam was one of the most dominant females of her day.
- This amazing tribe will likely claim more banners by sale night and this first chance to access Win Dixie genetics gives you a front row seat for the winning ride. Remember when we sold the first embryos on Miley, Destiny, Mercedes, and Charlie? Dig in.

CHAM Miss Daisy

Getcha Some

LOT 33 IS OFFERED BY GOETTEMOELLER SHOW CATTLE, BRIAN, DRU & SPENCER GOETTEMOELLER – WINCHESTER, INDIANA – 937/459-0209
 THE CLARK CHAMBERLIN FAMILY – WINCHESTER, INDIANA

"THE POWER TANK"

This nitrogen tank and all of its contents sell for one bid at Frozen Gold 15!

This is a working inventory. Well maintained and used successfully over the years. The tank is in excellent condition – it is being sold due to a career change – and it will be on display at the auction.

If you cannot attend the auction, delivery can be arranged.

HF Nixon – 5

Lot 1000A - Embryos of Hardings Shady Lady

Three embryos by Heat Wave & One by Meyer 734

- Shady Lady was the \$40,000 top seller of our 2005 sale and is the dam of more than \$200,000 sales including two Indiana State Fair winning steers.

Lot 1000A sells separately from the balance of the inventory and tank. No conception rate guarantees apply though embryos are high quality and have been well maintained.

Also included in the hammer price is a COBA AI breeding kit. Excellent shape.

SELLER: GREG HAMBURGER, 937/935-5003

Important Sale Information:

Terms: Cash or check made payable to the sale clerk immediately after the sale and before any cattle are loaded. Invoiced (absentee) accounts are payable in full within 10 days of the sale or are subject to a 2% finance charge on the tenth day. A fee of \$50 will be assessed to all returned checks. **Liability:** All animals and merchandise will be at the buyer's risk as soon as bid off but will be cared for by the seller(s) for a reasonable amount of time during and immediately following the sale. Neither the owners, auctioneers, sale manager or other affiliated personnel may be held responsible for any accidents that may occur. PrimeTIME AgriMarketing NETWORK, Inc. acts only as an agent between buyer and seller and may not be held responsible for any livestock or merchandise. It is to be clearly understood that PrimeTIME AgriMarketing NETWORK, Inc. and its representatives act only as a medium between buyer and seller, and may not be held liable, financially or otherwise, for any failure on the part of the same to fulfill any obligations set forth in this sale or for the truth of any warranties expressed or implied. Neither does PrimeTIME AgriMarketing NETWORK, Inc. assume any financial obligations to collect or enforce the collection of monies between buyer and seller. This catalog has been prepared by the sale manager from information provided by the seller(s) and is assumed accurate as presented to us. However, PrimeTIME AgriMarketing NETWORK, Inc. will in no way guarantee age, pedigree, or reproductive status of the animals selling. All exceptions taken and adjustments made are between buyer and seller. **Health:** All animals will be accompanied by a health paper valid for interstate shipment. Buyers should make themselves aware of their respective state's/country's health requirements prior to the sale. **Registration and Transfer:** All registered cattle sell with complete registration certificates which will be transferred to the new owners, free of charge, following the sale. **Guarantee:** All animals sell with the standard guarantee endorsed by the AMAA. For more information, contact the AMAA office at 816/431-9950. **Insurance:** Purchases may be insured at the clerk's desk. **Announcements:** Any announcements made from the sale block by the owners, auctioneer, or sale manager take precedence over any printed materials. **Sale Booklet Prepared by:** Craig M. Reiter, Sale Manager.

CARD

Snap Chat

62.50% Maine-Anjou Bull 462775 | I-80 x Chopper x Irish Whiskey
THF/PHAF – 72# BW from a first calf heifer

Mark Sneed

After a phenomenal first crop that included sons and daughters over \$20,000 – like the Reserve Grand Prospect Steer of the 2015 Badger Kickoff for Lauren May, WI – despite very limited use and mostly natural service, SNAP CHAT is finally available. He is rapidly becoming a go-to source of consistency due to his unique and valuable ability to consistently sire cattle just like he looks – and that is a great thing because SNAP CHAT looks incredible!

His young dam has become a real herd leader and is recognized as a BW reducer and udder quality leader. From 3 natural calves her production includes SNAP CHAT, his \$16,500 full sister that is now owned by Doug Stork, MI, and a \$7,750 son by Pilgrim that now works for Martin Livestock, IN.

Cardinal Cattle Company wishes to thank everyone that has shown interest in this great bull and to apologize that all orders could not be filled over the last 12 months.

Due to a still limited supply of SNAP CHAT semen, sales are currently planned for this auction and THE PROGRAM at Cardinal Cattle Company in December 2016 only.

Sired by Snap Chat – Res. Grand Prospect Badger Kickoff 2015 – Shown by Lauren May – Raised by Dave Cox – Sold by Brandon Jones, IL, for \$20,000
